Page 5 1 (Time Noted 9:29 a.m.) 2 RACHEL NEWMAN BAKER, 3 having been duly sworn to tell the truth, the whole 4 truth, and nothing but the truth relating to said matter, was examined and testified as follows: DIRECT EXAMINATION. 6 OUESTIONS BY MR. GEOFFREY SIGLER: 8 Good morning. My name is Geoff Sigler. I am 9 defense counsel in the case NCAA versus 10 Christie. 11 Can you state your full name for the 12 record, please? 13 Sure. Rachel Frances Newman Baker. 14 Thank you. And what do you prefer to be called, 15 Ms. Baker, or Newman Baker? 16 A Ms. Baker is fine. 17 O And, Ms. Baker, you work for the NCAA, which is 1.8 the plaintiff in this case, correct? 19 Α 20 Q What is your current position at the NCAA? 21 A I am a managing director of enforcement. 22 Q And what are your job responsibilities? 23 A I oversee our development and investigations 24 25 And do you have responsibility for particular

> VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 7 amateurism issues, are the primary areas of 2 With respect to wagering, do you have 3 responsibility cutting across all sports, or just football and basketball? A All sports, all divisions. And do you have just enforcement responsibility relating to sports wagering, or do you have responsibilities beyond enforcement? 10 Oh, I'm not sure I understand your question. 11 Sure. Let me ask it a better way. 3.2 What responsibilities do you have relating 13 to sports wagering? 14 A I oversee the development of information related 1.5 to sports wagering as well as investigations related to sports wagering. 17 Who do you report to, Ms. Baker? 18 Julie Roe Lach. 19 THE REPORTER: Spell it for me, please. 2.0 THE WITNESS: J-U-L-I-E, Roe, R-O-E, Lach, 21 22 Q What is Ms. Lach's position? 23 She's vice-president for enforcement. 24 When you say you have responsibility for 25 development of information related to sports VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400 www.veritext.com

Page 6 sports or types of enforcement? A I'm responsible for the development of 3 information specifically related to football, 4 basketball, and agent issues in the sports of 5 track and field, men's ice hockey, and baseball. And what was the other part of --Q Let me make sure I've got that part first. So 8 that's your development responsibility. 9 Development and investigations responsibility, 10 sports specific responsibilities. 11 Q Okay. So let's talk specifically about your 12 enforcement responsibilities. 13 Α For what specifically do you have enforcement 15 responsibilities? 16 A Anything related to Division 1 football, 17 Division 1 men's basketball, from an investigations standpoint. And I also see, 18 19 oversee our sports wagering unit and our 20 basketball certification and scouting service 21 certification area. Q Do you have responsibility for all types of infractions relating to football and basketball 23 or just certain types? 25 A Primarily recruiting and agent issues, agent

Page 8 wagering, does that mean education and training 2 and the like? That's included as past that, yes. 4 And what else does it include? 5 Developing information related to actionable leads. Ο Actionable leads? 9 And actionable leads are what exactly? 10 An actionable lead would be information that 11 could result in a case. 12 O And a case would be a situation where someone 13 has violated the NCAA's rules related to sports 14 wagering? A Possibly. 15 16 What other possibilities would there be? 17 You may not know at the onset that it's a clear 18 violation, but there might be some information 19 that could indicate a potential violation. 20 Q Ms. Baker, does your unit relating to sports 21 wagering have research responsibilities? 22 We do not. 23 That's a separate group within the NCAA? 25 O Who is the head of that group?

Page 9 1 I believe Todd Petr, P-E-T-R, is the head. Does the research group have responsibilities 3 beyond sports wagering? Do they report to Ms. Roe or someone else? 6 They do not report to Ms. Roe. Who do they report to? I'm not sure. A 9 Q Mr. Petr is an employee of the NCAA, to your 10 11 Yes. A 12 Q Ms. Baker, have you been deposed previously? 13 14 0 How many times? 15 A Three, I believe. 16 Q Was any of those situations relating to sports 17 gambling? 18 A Can you clarify sports gambling? Can you 19 clarify what you mean by that? 20 Q How do you define sports gambling? A Well, the -- I was involved in a deposition 21 22 involving Rick Neuheisel, which involved a 23 violation of NCAA 10.3 rule. How do you define sports gambling? 25 A Sports gambling for our purposes is defined as

VERITEXT REPORTING COMPANY 212-267-6868 Www.veritext.com

516-608-2400

Page 10 putting something at risk with the opportunity 2 to win something in return. Was the Rick Neuheisel case an example of sports 4 gambling? A The Neuheisel case was a violation of our 10.3 5 because of his involvement in a March Madness auction where he was putting something at risk and able to win something. 9 O So the March Madness auction in that case was an 10 example of sports gambling? 11 A It was an example of a violation of 10.3. 12 O Help me understand the distinction you're 13 14 MR. DREYER: Objection to the form of the 15 question. You can go ahead and answer. A I just want to be clear that it's a violation of 1.7 the NCAA rule related to sports wagering. 18 Q Okay. And was it an example of sports gambling, 19 or are you saying something else? 20 A No, it was considered sports wagering under the 21 22 Q Okay. Thank you. Other than the deposition 2.3 relating to the Rick Neuheisel case, have you 24 had any other situations where you have 25 testified about sports gambling issues?

Page 11 No other depositions that I can think of. And I 2 do not believe I have testified in front of any other government setting. Were the three situations you mentioned previously all depositions? Α Have you testified in court? Α 9 Q How many times? 10 Α 1.1 Was any of those situations relating to sports 12 13 One situation was related to Neuheisel, yes. 14 What court was that? It was in the state of Washington. I'm not sure 16 on the specific court. 17 Q Other than the three depositions you mentioned 18 and the two examples where you testified in 19 court, have you ever had any other testimony 20 during your time being an employee of the NCAA? 21 Yes. I testified before the Puerto Rican 22 government on agent and amateurism issues. 23 Any other examples of testimony you have given? None I can think of. 25 Well, Ms. Baker, having given testimony before, VERITEXT REPORTING COMPANY

212-267-6868 www.veritext.com 516-608-2400

```
Page 12
         you know the rules of the road probably. But
 2
         just to be sure, I will go over a few of them.
              Do you understand you are under oath today.
         just as if you were testifying in court,
        Correct.
        And you understand one important rule of
 8
         procedure is that we don't talk over each other,
 9
         so that the court reporter can make sure that
10
         she gets down your testimony, correct?
11
        Correct.
12
        And in conjunction with that, it's very
13
         important that you make sure you understand the
         question I'm asking before you answer the
14
1.5
         question. Okav?
16
17
    Q And if you need a break at any point today, just
18
         let me know, and we can take a break. The only
19
         thing I would ask is if a question is pending,
20
         that you answer the question before we take the
21
         break. Okay?
22
23
        Now, you understand that you are here to testify
         today as the NCAA's representative on certain
24
25
         topics relating to this case, correct?
```

Page 13 1 A Yes, I do. Ms. Baker, how long have you been in your current position? 4 I have been managing director for a little over 6 Q What position did you have before that? I was director of agent gambling and amateurism activities. 9 Q And can you recall at what point during the year 10 in 2011 you changed roles? 11 A It was late July, early August, I believe. 12 Q How long were you the director of agent gambling 13 and amateurism activities? 14 A little over six years. 15 Q What was your job before that? A I was an assistant director of agent gambling 17 and amateurism activities. 18 Q How long did you have that position? 19 Three years. 20 Q And help me with the years here. Approximately 21 2003 through 2006? 22 A It would have been 2002 through 2005. 23 Q Thank you. And what was your job before that? I was an intern in enforcement. 24 For the NCAA?

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

veritext.com 516-608-2400

Page 15 that reflects your current position at the NCAA? 2 Yes. Α 3 Q And does this chart accurately reflect your group of people that reports to you at the NCAA? A Yes, although Sandy Parrott is not listed on this chart, and she does report to me. She is our associate director for basketball certification. 9 Ω Is she a direct report? 11 Does she have anyone that reports to her? 12 Yes. She has a coordinator. 13 Does anyone else report to her? 14 15 Who, that reports to you, has responsibilities relating to sports gambling? 16 17 A Mark Strothkamp. 18 Does he have both development and enforcement 19 responsibilities relating to sports gambling? 20 Α 21 Q And you have two other direct reports, LuAnn 22 Humphrey, and I guess one patient is vacant. 23 25 Q Do the -- and LuAnn Humphrev has basketball

Page 14

A Yes.

2 $\,$ Q $\,$ Was that part of the agent gambling and

3 amateurism activities group?

4 $\,$ A $\,$ I spent three months with that group during my

5 internship.

6 Q And how long did you have that job?

A The internship?

8 Q Yes.

9 A A year.

10 Q So 2001 to 2002?

11 A Yes

12 Q What was your job before that?

13 A I was a graduate assistant at the Ohio State

14 University Athletic Compliance Office.

15 Q Thank you. Because it's cumbersome to say,

16 would you mind if we refer to the agent gambling

17 and amateurism group as the AGA group?

18 A Not at all.

19 (Deposition Exhibit 1 was marked for

20 identification.)

21 Q Ms. Baker, you have been handed a copy of a

22 document marked NCAA 1. Do you recognize this

23 document?

24 A I do.

25 Q And is this a copy of an organizational chart

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 16

1 related responsibilities, correct?

2 A Correct.

3 Q Does LuAnn Humphrey have enforcement

4 responsibilities relating to any sports gambling

5 issues?

6 A No.

7 Q So Mark Strothkamp is the only direct report you

8 have that has sports gambling responsibilities?

9 A Direct report, yes.

10 Q And Mark Strothkamp has a direct report, Suzanne

11 Brickell?

12 A Suzanne Brickell.

13 Q Suzanne Brickell is a direct report of Mark

14 Strothkamp?

15 A Correct.

6 Q And does she have sports gambling

17 responsibilities too?

18 A Yes

19 $\,$ Q $\,$ Are her responsibilities related to development

20 and enforcement?

21 A That is part of it.

22 Q What other responsibilities does she have

23 relating to sports gambling?

24 $\,$ A $\,$ She coordinates the background check for

25 officials.

Page 17 Other than Mark Strothkamp and Suzanne Brickell, 2 does anyone else that's part of your group have sports gambling responsibilities? No, not directly. Obviously if -- we all help 5 each other out and share, so depending on 6 caseloads, if there was a need to have additional help we could tab into the other investigators on our staff if needed. 9 Q Does anyone else at the NCAA other than Mark 10 Strothkamp and Suzanne Brickell have development 11 or enforcement responsibilities relating to 12 sports gambling? 13 Α No. 14 (Deposition Exhibit 2 was marked for 15 identification.) 16 O Ms. Baker, you have been handed a document 17 marked NCAA Exhibit 2. Do you recognize this 18 19 I do. A 20 Q Is this a copy of an organizational chart 21 reflecting your group from August of 2009? 22 A 23 0 Does this reflect the entire AGA group from 24 25 A Yes.

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

212-267-6868

212-267-6868

Page 19 Mark Strothkamp was not part of your group in August of 2009, correct? 2 0 I'm sorry, that's correct? 5 Correct So of the group of people who had responsibilities relating to sports gambling in Я August of 2009, none of them currently has sports gambling responsibilities anymore? 10 Correct, other than Suzanne Brickell. Α 11 Thank you. And Suzanne Brickell was an 12 administrative assistant in August of 2009, 13 correct? 14 A Correct. 15 Ms. Baker, do you have any special educational 16 degrees or training relating to sports gambling? 17 MR. DREYER: Objection to the form of the 18 question. You can answer if you are able to. 19 I do not have any degrees in sports gambling, 20 21 Do you have any special training relating to 22 sports gambling, other than having been in the 23 positions that you have held? 24 I received training from my direct supervisor in 25 AGA when I was assistant director of VERITEXT REPORTING COMPANY

Page 18 1 0 Who did you report to in August of 2009? 2 Α David Price. 3 0 What was his role? 4 Vice-president of enforcement. So Mr. Price had the role that Ms. Roe has now? 6 А On this chart from August of 2009, is there a 0 8 person or persons who had specific 9 responsibility relating to sports gambling issues? 10 11 A No. 12 Who on this chart had responsibility relating to 13 sports gambling issues in August of 2009? 1.4 A We all did, except Sandy Parrott was not as 15 involved in gambling. 16 Q So this group of people, the AGA group from 17 August of 2009, had responsibility relating to 18 sports gambling as well as agent and amateurism 19 issues? 20 A Correct. Q Now, comparing this chart, Exhibit 2, to the current organizational chart, Exhibit 1, I see a 22 23 lot of the same names, correct? 24 Everyone that was in the August 2009 AGA group Α 25 is in the development unit.

Page 20 1 enforcement. Who was that? 3 Bill Saum. Any other special training that you have? I also received training from our associate director of AGA when I was an assistant director, Dina Garner. 8 Other than training that you have received from 9 other employees in the NCAA, do you have any 10 special training relating to sports gambling? 11 A 12 Have you ever conducted any research on sports 13 14 Me individually? 15 Correct. 16 No. 17 Have you ever published any articles, papers, on 18 sports gambling? 19 I have not. 20 (Deposition Exhibit 3 was marked for 21 identification.) 22 Q Ms. Baker, you have been handed a document 23 marked NCAA Exhibit 3. We talked earlier about 24 how you have been designated to testify in 25 certain topics, correct?

516-608-2400

Page 21 1 Α Correct. 2 Q And you understand that you are here as the 3 NCAA's representative speaking on the NCAA's behalf today, correct? 5 Correct. And I'd like you to look at this document, and 7 tell me whether you've seen it before today. 8 I do not recall seeing this, but if you could give me a minute to look at it so I can be sure. Sure. Take your time. 10 11 I don't believe I have seen this, no. 12 If you could turn with me, please, to page 4 of 13 the document, do you see the statement, "Deposition Topics," in the middle of the page? 14 15 A Yes. 16 Q And do you see that there's a list, items 1 17 through 3, and then if you continue on to the 18 next page, 4 through 6, a list of topics? 19 A Yes. 20 Q Have you seen this list of topics 1 through 6 21 before today? 22 A I have not seen the list. 23 Please take a couple of minutes to read each 24 topic carefully, and then I have got a question 25 for you.

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 23 MR. SIGLER: Are you going to follow 2 counsel's advice? THE WITNESS: Yes. Other than meeting yesterday with counsel, did 5 you have any other meetings with counsel? 6 A Did you speak to anyone other than counsel in preparation for your deposition? 9 Α No. 10 0 Did you speak to President Emmert in preparation 11 for your deposition? 12 1.3 Did you review any documents in preparation for 14 your deposition? 15 Outside of my preparation with the attorneys? 16 Did you review any documents at all in 17 preparation for your deposition? 18 MR. DREYER: You can answer the question 19 20 Α 21 What documents did you review in preparation for 22 your deposition? 23 MR. DREYER: Objection to the extent the 24 question calls for attorney-client 25 communications. The witness can answer with

212-267-6868

212-267-6868

VERITEXT REPORTING COMPANY
www.veritext.com

516-608-2400

Page 22 2 Ms. Baker, are you prepared to testify today as 3 the NCAA's representative on each of these topics reflected here in Exhibit 3? 5 A Yes. 6 Q What did you do to prepare for your deposition today? 8 A I -- outside of conversations with my attorneys? 9 Q Correct. 10 Nothing. A 11 0 You had conversations with your attorneys to 12 prepare for the deposition today? 13 Α 14 Q Did you have an in-person meeting or just phone conversations? 16 A In-person meeting. 17 When was that? 18 Α Yesterday. 19 Q How long did you meet? 20 MR. DREYER: Objection. You're getting 21 into privileged areas now, so I'm going to 22 instruct her not to answer. 23 MR. SIGLER: Instruct her not to answer as 24 to how long you met? 25 MR. DREYER: Correct.

```
Page 24
         respect to documents reviewed outside the
 2
         presence of counsel.
 3
        I didn't review anything outside the presence of
         counsel.
 5
        Well, let's just be clear about this. I'm not
         asking you about any documents reflecting a
 6
 7
         communication from counsel to you or from you to
         counsel, such as an email exchange between you
 9
         and Mr. Dreyer, I'm not asking about that at
10
         all. But other than those types of documents,
1.1
         did you review any documents in preparation for
12
         your deposition today, whether in presence of
13
         counsel or otherwise?
14
              MR. DREYER: You can answer yes or no.
15
         Yes.
16
        And what documents were those?
17
              MR. DREYER: Objection. You're getting
18
         into privileged areas. Any documents that we've
19
         chosen to show the witness reflect attorney
20
         mental impressions and are therefore protected
21
        by the work product doctrine.
22
             MR. SIGLER: I'm entitled to explore her
23
        preparation for the deposition as a 30(b)(6)
24
         notice.
25
             MR. DREYER: Not with respect to
```

Page 25 attorney-client communications. So you have our 2 objection. MR. SIGLER: Ms. Baker, are you going to follow your counsel's instruction not to answer 5 that guestion? THE WITNESS: Yes. 7 Ms. Baker, does the term sports wagering mean the same thing as sports gambling, to the NCAA? 10 O And just to be clear, when I used the term 11 sports gambling today, I mean it in the sense 12 that you defined it earlier in the way that the NCAA defines it. Okay? 13 14 15 O In the NCAA's view, does sports gambling include 1.6 fantasy football leagues where there's an 17 entrance fee and payout to the winner? 18 If there is an entry fee and prize, yes, that's 19 considered sports gambling. 20 Q In the NCAA's view, does sports gambling include 21 March Madness pools such as an office pool 22 through which someone pays an entrance fee and 23 there's a payout to the winner? 24 Yes, if both pieces exist, it's considered 25 sports gambling.

VERITEXT REPORTING COMPANY 212-267-6868 Www.veritext.com

516-608-2400

Page 27 practice, is it a game, what's the -- it's 2 important to the rule, so I just want to make sure I understand what you're -- what scenario it is that they are playing basketball. 5 6 So just to make sure I understand, a game, a 7 college, regularly scheduled game or pickup Q A pickup game. 10 And it's -- can you repeat? I want to make sure 11 I understand the question. Can you repeat? 12 Let me ask this question instead. 13 Can you think of a situation where a group 14 of people would get together to play a 15 basketball game, something of value would be at 16 stake for the winner and the loser of the game, 17 and it would constitute sports gambling, in the 18 NCAA's view? 19 Yes, a practice session is included, so if 20 student athletes were playing pickup and had 21 something at risk as part of that pickup contest 22 with the opportunity to win something, then ves. 23 it would be a violation of 10.3. 24 Are some types of sports gambling more of a 25 concern to the NCAA than others? VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 26 In the NCAA's view, does sports gambling include 2 a situation where someone plays a game of pool 3 and the winner -- strike that Does, in the NCAA's view, does sports 5 gambling include a situation where someone plays 6 a game of pool and the loser has to pay for the 8 Pool, can you clarify what you mean by pool, Α 9 billiards? 10 0 Billiards. No. billiards is not covered under the NCAA 11 A 12 13 And that's because? 0 14 A It's not a sport that the NCAA sponsors. Q So in the NCAA view, does sports gambling 16 include a situation where someone plays a game 17 of basketball and there's something of value 18 that's at stake for the winner? 19 MR. DREYER: Objection, incomplete 20 hypothetical. You can answer if you are able 21 22 A I think I'd need some clarification. When you 23 sav someone who do you mean? 24 Student athletes. 25 A And can you clarify the competition? Is it a

Page 28 MR. DREYER: Objection to the form of the 2 question. You can answer if you are able to. 3 Well, all sports gambling is of concern to the NCAA, especially those situations that 5 jeopardize our student athletes' well-being or put the integrity of the game at risk. Are some types more of a concern than others? In my view, all types are a concern. 9 All types are an equal concern? 10 Well, obviously, point shaving concerns are of 1.1 significant importance, as well as any situation 12 where our student athletes are betting. 13 Is a student athlete's participation in a March 14 Madness pool at the same level of concern to the 15 NCAA as a student athlete conducting a single 16 game bet with a student bookie? 17 MR. DREYER: Objection to the form of the 18 question. You can answer. 19 Well, it would depend. If it's a dollar pool, 20 it's probably not going to be of the same 21 significance as if there were thousands of 22 dollars at stake for that student athlete. 23 Ms. Baker, some sports gambling is legal and 24 some is illegal, correct? 25 Sports gambling is only legal in the state of

2

Page 29 Nevada, in this country. 2 0 Some is legal and some is illegal, correct? 3 MR. DREYER: Objection, asked and answered. 5 You have her answer. And an example of legal sports gambling which 6 you just gave would be a situation where someone 8 places a bet in Las Vegas, correct? 9 A That is legal under the law, yes. It would 10 still be impermissible for our student athletes, 11 coaches or athletic administrators. 12 An example of illegal sports gambling would 13 include a situation where someone places a bet 14 with a student bookie, correct? 15 A Correct. 16 O And just to define the term, what is a bookie? 17 A bookie is essentially an oddsmaker in the 18 illegal world that solicits and accepts wagers 19 on almost anything. 20 Q Is the NCAA aware that there is a substantial 21 illegal gambling market in the United States? 22 MR. DREYER: Objection to the form of the 23 question, vague. You can answer. 24 NCAA is aware that our student athletes have a 25 high percentage of involvement in sports

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

Take a look, please, at topic 1, your alleged standing to seek relief in this action. Do you see that topic? Do you know what standing is? I think so, but if you have a definition that would be helpful. Q Let's go with what your definition is. What do 10 you understand standing to be? 11 MR. DREYER: Objection to the extent it 12 calls for a legal conclusion. She can answer as 13 to her understanding. 14 Yeah, I don't know in a legal sense. I'm not a 1.5 lawyer. But I would read that to mean position. 16 And I'm only asking for your understanding as a 17 nonlawyer. So in your understanding as a 18 nonlawyer, standing in the context of topic 1 in 19 this notice means position? 20 21 Did you review any documents specifically to 22 prepare for this topic, topic 1? 23 Outside of any documents that I would have 24 reviewed with my attorneys? 25 Did you review any documents at all? VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

have in front of you.

Page 30 wagering, based on the studies that we have 2 3 O I'm not sure you answered my question. I'll 4 just give it another try. 5 Is the NCAA aware that there's a substantial illegal gambling market in the 6 United States? 8 MR. DREYER: Same objection to the form of 9 the question, and it's vague terminology. You 10 11 A Yeah, I guess could you clarify what do you mean 12 by substantial? 13 Is the NCAA aware that there is an illegal gambling market in the United States? 14 15 Q And in the NCAA's view, is it substantial? 16 17 MR. DREYER: Same objection to the form. 18 You can answer. 19 A Yeah, I don't know that I can quantify it. 20 Q Does the NCAA have any idea how large the 21 illegal gambling market is in the United States? 22 A I do not have any idea of the numbers involved, 23 currently involved in the illegal gambling, no. 24 Ms. Baker, I'd like to turn back to Exhibit 3. 25 which is the deposition notice that you still

Page 33 I think that pretty much sums it up. 2 Is the NCAA alleging that the NCAA or its member 3 institutions would be harmed by a New Jersey sports gambling law? 5 A Absolutely. (Deposition Exhibit 4 was marked for 6 identification.) 8 Q Ms. Baker, you have been handed a copy of a 9 document marked Exhibit 4. Please take a minute 10 to flip through it. My first question is going 11 to be whether you recognize this document. 12 I actually do not recall ever seeing this. 13 O Turn with me, please, to page 2 of the document. 14 I'd like you to review paragraphs 5 and 6 on 15 page 3. And when you're done, tell me whether 16 you agree with the statements in these 17 paragraphs. 18 MR. DREYER: Objection to form. Can we do 19 one paragraph at a time at least, so the record 20 is clean? It is a compound question. 21 Q Let's go with paragraph 5, Ms. Baker. Can you 22 read paragraph 5 and tell me whether you agree 23 with it. 24 Sure. Yes, I do. Α 25 0 Now can you read paragraph 6, please, and tell

25

212-267-6868

212-267-6868

516-608-2400

516-608-2400

Page 34 1 me whether you agree with it. 2 3 O Ms. Baker, do these paragraphs, paragraphs 5 and 6, accurately summarize harms that the NCAA is alleging in this case? 6 A I think they summarize some of the harms, yes. Is the NCAA alleging harms in this case that are not reflected here in paragraphs 5 and 6? 8 9 MR. DREYER: Hold on one second. I don't 10 think any of the 30(b)(6) topics are related to the allegations in the case. So with that 11 12 objection, the witness can answer. 13 A Well, I think that one of the biggest harms is jeopardizing the welfare of our student 1.4 15 16 O Is the NCAA alleging any other harms in the case 17 other than the student athlete welfare and the 18 harms alleged here in paragraphs 5 and 6? 19 MR. DREYER: Same objection. You can 20 21 A It's a combination of the harms in 6, but 22 essentially the integrity of the games being 23 compromised, both the public perception of those 24 games, as well as the games themselves and the 25 student athlete well-being concerned.

Page 36 Are there any others? Not that I can think of. 3 Q Ms. Baker, you mentioned that the NCAA contends that New Jersey sports gambling law would cause harm by affecting the integrity of the game. Do I have that correct? Can you explain to me that allegation? 8 9 Well, if there are additional opportunities for 10 sports wagering, then the concern is that there 11 would obviously be additional opportunities for 12 our student athletes to be approached to 1.3 compromise something within that athletic 14 contest Q So is the NCAA's concern about the integrity of 16 its games premised on the belief that 17 legalization of sports wagering in New Jersey 18 would result in additional opportunities for 19 sports gambling? 20 That is one piece of it, yes. 21 Does the NCAA contend that legalizing sports 22 gambling in New Jersev will increase the level 23 of sports gambling in the United States? 24 Absolutely. 25 Q What's the basis for that contention?

Page 37 Well, sports gambling has increased every year, according to our studies, from a student athlete 3 perspective. And it would be common sense that 4 if you provide additional opportunities, there's going to be an increase in the number of people 6 participating. So the NCAA's contention that legalizing sports gambling in New Jersey would increase the level of sports gambling in the United States is based 10 11 A Partly, and partly based on our survey numbers. 12 0 Anvthing else? 13 Those are the main ones. 14 Q Anything else that you can think of? 15 Not that I can recall at the moment. Q In the United States there's both legal and 17 illegal sports gambling, as we discussed 18 earlier, correct? 19 Α 20 O Does the NCAA know how much legal sports 21 gambling on NCAA sporting events occurs in the 22 United States? A I do not. I do know that the tournament has 23 24 exceeded the Super Bowl in the state of Nevada, 25 in terms of the numbers bet, amounts bet.

Page 39 hundreds of millions? 2 I do not. The FBI used to share a figure related to the amount they projected was wagered, and that's the number I'm thinking of, I just can't recall what that number is. Q Does the NCAA know how much illegal sports gambling on NCAA sporting events occurs in the United States? 9 I do not. 10 Does the NCAA know how much total sports 11 gambling occurs in the United States on NCAA 12 13 I do not, other than the numbers from what our 14 student athletes report to us in our studies, 15 which is a high percentage, in our view, of 16 their involvement in sports wagering. 17 Are you aware of any studies performed by the 18 NCAA or otherwise that show how much sports 19 gambling on NCAA sporting events there is in the 20 United States? 21 Not that I recall, other than our surveys. 22 Do the surveys reflect how much sports gambling 23 there is on NCAA sporting events in the 24 United States? 25 A No. Our surveys reflect how much our student

VERITEXT REPORTING COMPANY

www.veritext.com

Page 38

1 Q And when you say the tournament, you're talking

2 about the March NCAA tournament?

3 A Correct.

4 $\,$ Q $\,$ Does the NCAA know how much was bet on the NCAA $\,$

5 tournament last year?

6 A I do not.

Q Does the NCAA know how much was bet on the NCAA

8 March basketball tournament in any year?

9 A Can you clarify your question?

10 $\,$ Q $\,$ I just asked you previously whether the NCAA

11 knows how much was bet on the tournament last

12 year. This question is only whether the NCAA $\,$

13 knows how much was bet on the tournament in any

14 previous years.

15 $\,$ A $\,$ I've heard varying numbers, and I don't know

16 that I can say for certain that any of them are

17 correct. And it depends whether you're talking

18 legal or illegal.

19 O What numbers have you heard?

20 A Millions, hundreds of millions.

21 $\,$ Q $\,$ And the numbers that you heard in the hundreds

22 of millions, were they numbers for legal or

23 illegal gambling?

24 A I honestly cannot recall.

 ${\tt 25}$ ${\tt Q}$ ${\tt Do}$ you have a specific figure in mind, in the

1 athletes wager on NCAA events. So the NCAA is not aware of any studies or other analyses that reflect how much sports gambling there is on NCAA sporting events in the United States, correct? MR. DREYER: Objection. I think you've changed your question from what you asked before. So you have my objection. You can 9 answer if you are able to. 10 THE WITNESS: Can you repeat the question? 11 MR. SIGLER: Can you read the question 12 back? 13 (The previous question was read back by the 14 reporter as follows: "So the NCAA is not aware 1.5 of any studies or other analyses that reflect how much sports gambling there is on NCAA 17 sporting events in the United States, correct?") 18 I'm sure there have been other studies on sports

wagering, just none that I can recall at the

Q Other than the NCAA's studies, which we will get

Q And by yours you mean the student athlete

studies that the NCAA performed?

The NCAA studies, ves.

moment. I know that ours was the largest of its

516-608-2400

Page 41 1 to, are you aware of any other studies regarding 2 the level of sports gambling on NCAA sporting events in the United States? Again, I'm sure that there have been, just none 5 that are coming to mind immediately. 6 0 Did you take any steps in connection with this 7 deposition to search for studies relating to the impact of sports gambling on the NCAA or its member institutions? I did not. 10 A 11 And at any point relating to this case, have you 12 taken any steps to search for studies relating 13 to the impact of sports gambling on the NCAA or 14 its member institutions? A No. Because the NCAA study is enough data and 15 16 information, I believe, for purposes of this 17 18 O Does the NCAA have any estimate of how much 19 legal sports gambling on NCAA sporting events 20 would occur in the United States if New Jersey 21 moves forward with legalizing sports gambling? 22 We have not conducted a study on that, no. I 23 can tell you that there would have been student 24 athletes from the state of New Jersev included 25 as part of the NCAA study, but because that

Page 43 1 question either. 2 Q So the NCAA has no estimate; is that correct? 3 Not to my knowledge. 4 Does the NCAA have any estimate of how much 5 sports gambling total would occur on NCAA sporting events in the United States if 6 New Jersey moves forward with legalizing sports 9 I'm sorry, can you repeat the question? 10 MR. SIGLER: Would you mind reading that? 11 Thank you. 12 (The previous question was read back by the 13 reporter as follows: "Does the NCAA have any estimate of how much sports gambling total would 15 occur on NCAA sporting events in the United 16 States if New Jersey moves forward with legalizing sports gambling?") 18 No, I do not. 19 is the NCAA currently undertaking any analysis 20 or study to try to estimate what impact there 21 would be on the level of sports gambling on NCAA 22 sporting events if New Jersev moves forward with 23 legalizing sports gambling? 24 Not to my knowledge. 25 Does the NCAA have any studies or analyses

study is anonymous there would be no way to know which teams from which schools participated. I

just know that there have been teams from those, from that state included. O And because the students were not broken out by state, it would be impossible to know from that survey about the specific level of gambling in New Jersey, correct? A Correct. There would be no way to do that on a regional basis. We would just be able to show in total that there's a high percentage of involvement by our student athletes overall. O So just to be clear, the NCAA does not have any estimate about how much legal sports gambling on NCAA sporting events would occur in the United States after New Jersey moves forward with legalizing sports gambling? A We do not have any numbers, to my knowledge, no. Q Does the NCAA have any estimate of how much illegal sports gambling on NCAA sporting events would occur in the United States if New Jersey moves forward with legalizing sports gambling? Seeing as how I don't have a reference point Α

Page 44 1 regarding the level of sports gambling in the 2 United States on NCAA sporting events that would 3 exist if any state moves forward with legalizing sports gambling? MR. DREYER: Just one second. You can 7 I'm sorry, that's a long question. Can you read 8 that back, or could I have it repeated? 9 (The previous question was read back by the reporter as follows: "Does the NCAA have any 10 11 studies or analyses regarding the level of 12 sports gambling in the United States on NCAA 1.3 sporting events that would exist if any state 14 moves forward with legalizing sports gambling?") 15 Yes, I believe our study covers that, because it 16 asks our student athletes about their sports 17 wagering activities specific to NCAA sports. And you're referring to the studies the NCAA has 18 19 performed of student athlete gambling levels? 20 Correct. 21 Does the NCAA have any studies regarding the 22 estimated impact on overall sports gambling 23 levels if any state were to move forward with 24 legalizing sports gambling? No, not to my knowledge.

because I don't have a number for illegal

gambling, I don't think I can answer that

1 Α

Page 45 Does the NCAA have any studies or analyses 2 regarding how much sports gambling on NCAA 3 sporting events occurs in Las Vegas? No, I do not believe that we have any. I'm 5 pausing because I want to make sure -- I don't 6 have our study questions in front of me. There may be a question in that study that 8 specifically asks student athletes about placing bets in the state of Nevada, but I can't recall 10 with a hundred percent certainty. 11 You are referring to the student athlete study 12 the NCAA has performed? 13 Correct. 14 Q And just to confirm, the NCAA doesn't have any 15 studies regarding the level of sports gambling 16 in Las Vegas overall, correct? 17 MR. DREYER: Objection to the form of the 18 question, asked and answered, but you can 19 answer. 20 A I'm not aware of any other studies other than 21 our student athlete study that asks questions 22 specific to potentially placing bets in the 23 state of Nevada 24 Does the NCAA have any estimate of how much 25 sports gambling on NCAA sporting events would

> VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

2 Does the NCAA know how much sports gambling on NCAA sporting events occurs currently in New Jersev? I do not know Does the NCAA have any information about how much sports gambling on NCAA sporting events occurs in New Jersey? I do not know. 10 Does the NCAA have any estimate of how much 11 sports gambling on NCAA sporting events would 12 occur in New Jersey if New Jersey moves forward with legalizing sports gambling? 13 14 MR. DREYER: Before you answer that, can 15 you just let me know which 30(b)(6) topic you 16 think this line of questioning relates to? 17 MR. SIGLER: Let's get an answer to the 18 pending question. 19 MR. DREYER: No, there's an objection. So 20 can you tell me which 30(b)(6) topic this 21 relates to? 22 MR. SIGLER: It relates to a number of 23 them, Mr. Dreyer. Let's continue. 24 MR. DREYER: Can you identify any of them? 25 Ms. Baker, could you please answer my question? VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 47

Page 46 1 occur in Las Vegas if New Jersey moves forward 2 with legalizing sports gambling? 3 Α Not to my knowledge, no. 4 Q Does the NCAA have any information about whether legalizing sports gambling in New Jersey would cause the level of sports gambling in Nevada to go down? 8 Do we have any studies, did you say? Α 9 0 Any information. 10 No. I actually would opine that it would not 11 have an impact on Nevada. 12 Q What's the basis for that opinion? 13 That it's just adding another opportunity for 14 sports betting, which would not eliminate people 15 using or going other places to do it, it would 16 just provide an additional avenue. 17 O And what's the basis for that view? 18 Just based on my ten years of experience at the 19 NCAA dealing with these issues and seeing the 20 cases of our student athletes, coaches, 21 administrators, and numbers from our study that 22 continue to increase with our student athletes' 23 involvement in gambling, sports wagering 24 specifically. Q Anything else? 25

Page 48 1 MR. DREYER: There's a standing objection. 2 MR. SIGLER: Are you directing her not to 3 answer? 4 MR. DREYER: There's an objection, standing 5 objection. 6 MR. SIGLER: Are you directing her not to 7 8 MR. DREYER: If it is not within a 30(b)(6) 9 topic, I am. So can you please direct me to the 10 30(b)(6) topic or topics you believe this is 11 relevant to? 12 MR. SIGLER: Topic 2. All right. Let's 13 continue. Can you read the question back, 14 please 15 MR. DREYER: You have an objection. She 16 can answer the question, but you have my 17 objection. I think you have gone far afield of the topic, but you have my objection. The 19 witness can answer if she is able to, if the 20 court reporter would read back the question. 21 (The previous question was read back by the 22 reporter as follows: "Does the NCAA have any 23 estimate of how much sports gambling on NCAA 24 sporting events would occur in New Jersey if New 25 Jersey moves forward with legalizing sports

212-267-6868

212-267-6868

516-608-2400

Page 49 1 gambling?") 2 I don't have any information to be able to Α 3 answer that question. So the NCAA doesn't have any studies, analyses, or other information that would contain such an 6 estimate, correct? Not that I'm aware of. 8 O Ms. Baker, earlier in the deposition you said 9 that the NCAA is alleging that one of the harms 10 it would experience from legalizing sports 11 gambling in New Jersey is that it would affect 12 the integrity of the NCAA's competitions, 13 correct? 14 A Correct. 15 Q Is the concern that legalizing sports gambling 16 in New Jersey would cause match fixing? 17 MR. DREYER: Object to the form of the 18 question. You can answer. 19 A I think that's one of the concerns. And the 20 term we use is more often point shaving issues. 21 And we've seen that occur even within the state 22 of Nevada, obviously, where gambling is legal. 23 Q And is point shaving a type of match fixing? 24 25 Q Okay. So when I refer to match fixing, I mean

Page 51 And just for ease of terminology, I'm going to 2 use the term match fixing. And what I mean by that is any type of effort to influence the outcome of a game or a single play within a 5 game, just so that we can be clear. Okay? Α Sure. 7 Does the NCAA agree that match fixing has 8 already occurred? 9 MR. DREYER: Objection to the form of the 10 question. You can answer. 11 The NCAA has had point shaving cases. 12 13 (The excerpt that follows is separately 14 bound and stamped "Highly Confidential.") 15 * * * 16 17 18 19 20 21 22 23 24 25

13 what's now called spot fixing.

shaving and match fixing?

14 What is spot fixing? 0

1.5 A Where individuals don't look to throw an entire contest or shave points, but they look to alter

17 the outcome of one particular play. So it's in

game wagering where you could essentially bet on

19 whether someone going to the free throw line

20 hits one free throw, hits one makes one, hits

21 both or makes both. And the concern from our

22 perspective of what that, the kinds of pressure

23 that that can put on one of our 17, 18, 19, 20,

24 21-year-old athletes does greatly concern us in

25

terms of the harm that can come from that.

Page 66
         Case Management System.
 2
     O Does the NCAA have an estimate of how many match
 3
         fixing cases it would have next year if
         New Jersey moves forward with legalizing sports
         gambling?
              MR. DREYER: Objection to the form, to the
 6
         term match fixing cases, but you can answer if
         you are able to.
10
11
12
1.3
14
         Does the NCAA rely on self reporting by
15
         institutions to identify allegations of match
16
         fixing?
17
         Self reporting is one way that violations can be
18
         uncovered, but it is not the only way.
19
    Q What are some of the other ways?
20
    A Well, as part of my job responsibilities that we
21
         went over in the beginning, our charge is to
22
         develop information related to violations of
23
         NCAA rules.
24
     0
        Does the NCAA rely on sports gambling operators

Page 68
         discussions with sports gambling operators in
 2
         Las Vegas initiated by those sports operators?")
         Yes.
 3
 5
              MR. DREYER: You have my objection, Geoff.
 8
         I don't know what purpose you think you're
 9
         serving by violating the magistrate's ruling in
10
         this case. It is not a 30(b)(6) topic, and was
11
         expressly stricken by the magistrate. You can
12
         answer yes or no, but that's the last question
13
         on this line.
14
15
16
17
18
19
20
              THE WITNESS: I don't know if we're
21
22
         switching subjects, but if we are, can we take a
23
         bathroom break?
24
              MR. SIGLER: Let me ask one more question
25
         and we can do that.
```

A

Correct.

Page 69 1 Did sports gambling operators in Las Vegas 2 assist the NCAA in its investigation of the Arizona State situation? I was not at the NCAA during the Arizona State 4 5 point shaving investigation, and I honestly do 6 not recall. 7 8 MR. SIGLER: All right. We can take a 9 break. 10 THE WITNESS: Thank you. 11 (A recess was taken.) 12 Ms. Baker, earlier today we were discussing the 13 harms that the NCAA alleges would result from 14 New Jersey's legalization of sports gambling, 15 correct? 16 17 And one of those harms that you mentioned was 18 that it would create the perception among the 19 public that the NCAA's contests are being 20 influenced by sports gambling, correct? 21 A Correct. 22 Does this perception that you described already 23 exist for some portion of the public? 24 It, yes, it very well could. Α 25 Does the NCAA know whether that perception

What's the basis for that assumption, other than the emails that you described earlier? I think also a lot of the media guestions that I field as it specifically relates to gambling on NCAA contests. 0 Anything else? 10 11 12 13 Does the NCAA have any consumer surveys or 14 studies regarding the level of public perception 15 of match fixing? 16 Not that I can recall, no, nothing that comes to 17 mind. 18 Ο Does the NCAA have any studies or analyses 19 regarding the level of that perception in the 20 public that would exist if New Jersey moves 21 forward with legalizing sports gambling? 22 Nothing that I can, that I'm aware of, no. 23 For people who currently have the perception 24 that NCAA matches are being fixed, does the NCAA 25 know where they get that perception?

212-267-6868

VERITEXT REPORTING COMPANY

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 71

Page 70 exists in some portion of the public? 2 I don't think I can speak for the entire general 3 public, but I do know that as director of AGA, I have received emails from the general public 5 when something has happened in a contest questioning the integrity of the game. 6 And obviously if there were additional 8 avenues to place bets, it would seem realistic that that could only increase. 10 Q You believe the number of emails you would get 11 regarding that perception would increase? 12 I believe the number of people questioning when 13 something happens in a game where an 18-year-old 14 kid that is playing in front of a hundred 15 thousand screaming fans accidentally drops a pass or makes a mistake, as a 17, 18, 19, 16 17 20-year-old kid is going to do, that people in 18 the general public could potentially, with an 19 increase in betting, view that as something 20 intentional on behalf of the student athlete. 21 O But you don't know whether the number of people 22 with that perception would increase, correct? 23 I would assume that it would, yes. A 24 Ω You would assume it, but you don't know it, 25 correct?

```
Page 72
        I don't know that I could speak on behalf of
 2
         people that I don't know.
 3
         Does the NCAA have any studies, focus groups, or
         analyses regarding where people get that
         perception?
 6
         Not that I can recall. I would say that when
         people have a lot of money on the line, that
 R
         that is one of the immediate conclusions that
 9
         they draw when something in a game doesn't go
10
         their way. And that's just based on my years of
11
         experience being a director, as well as watching
12
         and observing people involved in gambling over
1.3
         the years.
14
         You're saying that people with the perception
15
         that matches are being fixed are often people
16
         who have bets placed on the matches?
17
         I would guess that, yes, that could be, a
         percentage of people that have that perception
18
19
         are people that have a large amount of money on
20
         the game and a call doesn't go their way or a
21
         play doesn't go their way.
22
        Does the NCAA have any studies or analyses or
23
         focus groups to support that belief?
24
        No. I have the emails that I have received over
25
         the years from people in the general public that
```

Page 73 1 are complaining because they have lost amounts, 2 certain amounts of money on a game because of a particular player or particular call. Are you relying on that emails to support the 5 belief that this perception would increase if New Jersey legalizes sports gambling? 7 I'm relying on those emails as an example of how public perception or how individuals may 8 perceive the game based on money that they have 10 at risk on the game. 11 Do you still have those emails? 12 Not that I can -- I don't intentionally save 13 them, no, if they are just from the general 14 public and there is no specific allegation of 15 the NCAA rules. 16 Q Do you believe that you still have them, or not? 17 18 If the NCAA is concerned about the public 19 perception that match fixing is occurring, then 20 do you know why the NCAA has not conducted any 21 focus groups, studies or surveys on this issue? 22 Well, I wouldn't say "if the NCAA," the NCAA is 23 concerned about the public perception of match 24 fixing, and I think we spend an inordinate 25 amount of time trying to educate both our

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

percentage of our Division 2 and Division 3 1 2 student athletes that are engaged in sports wagering is actually higher than our Division 1, men's basketball and men's football student athletes. Our golfers are also the highest 6 percentage of student athletes that are involved in sports wagering. But in this particular case, this young man was so consumed with being involved in sports 10 gambling that it was essentially taking over 11 everything related to his daily life as a 12 college student. And we became aware of the 13 information, investigated the case, his eligibility was impacted because of it, and at 15 the end of the case the father actually thanked 16 us for bringing this information to light and 17 intervening, because he was very concerned about 18 if this had continued, how it could have 19 impacted this young man when he became a husband 20 and a father and an employee. So that's one 21 example. 22 Another example would be, this isn't 23 something that just impacts the student athletes 24 or the coaches, but several years ago we had a 25 staff member that was presenting to teams VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 75

Page 74 membership and the general public about the 2 reasons why sports wagering can harm our student 3 athletes in our contests. Now, whether or not that translates to an 5 actual study, no, we haven't done that for a 6 general public perspective. One, it would be very difficult to, in my view, to get that 8 information. It's easy with our student 9 athletes because they are under our 10 jurisdiction. The general public is not under 11 our jurisdiction. 12 Ms. Baker, one of the other harms that you 13 mentioned earlier today that the NCAA is 14 alleging relates to student athlete welfare, 15 correct? 16 A Correct. 17 Can you describe that harm for me, please? 18 Absolutely. One case in particular that comes 19 to mind is a case involving a student athlete 20 who became so consumed with sports gambling in 21 this past year -- and this was a national 22 champion in the individual sport at the Division 23 2 level, so this obviously isn't something that 24 just affects our Division 1 men's basketball and 25 men's football athletes -- and in fact, the

Page 76 participating in the regional tournament for our 2 men's basketball championship about the dangers 3 and concerns related to sports wagering, to make sure that our student athletes were tracking on the possibility of being approached to share 6 inside information specific to, for sports wagering purposes. The staff member had a -was a trainer or some type of student assistant, 9 equipment manager, come up to her following the 10 presentation and showed her his cell phone, 11 which included a text from individuals that were 12 wanting to place their bets on the game and 1.3 wanting to know how a particular basketball 14 student athlete was feeling because he had had 15 an ankle injury. 16 So those are two very different examples 17 than the point shaving cases that we've 18 discussed earlier, but all of it relates to how 19 individual student athletes can be harmed. 20 In the example that you gave concerning the 21 Division 2 athlete, what school was that? 22 That was Pittsburgh Johnstown, so fairly close 23 to New Jersey, I think. 24 Maybe by Indianapolis standards. 25 A Yeah, maybe.

Page 77 Do you know how the bets were placed in that 2 case? 3 I don't recall, because it was a case I oversaw in my new role, it wasn't a case I actually investigated. Did that case involve sports gambling or other Q types of gambling? 8 A Sports wagering specifically. 9 And do you know what types of bets were placed 10 in that case by the student athlete? 11 I don't recall. A 12 What sport did it involve? 13 Α He was a wrestler. 14 Q I take it he was not betting on his own team, 15 correct? A Actually, I believe he may have been. There may 1.6 17 have been -- I don't recall that with a hundred 1.8 percent certainty -- but I do remember that 19 being discussed, so that could have been part of 20 it. I can't recall. 21 Q If that was happening, it could have been 22 through a student bookie, correct? 23 Well, that would have been one way it could have 24 happened. There are also places that accept 25 bets on Division 2 and 3. It's not as commonly

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

1 institution? 2 Worked for the athletics department, yes. How were the bets being placed in that case? Well. I don't know that there were bets being 6 Is it the NCAA's contention that if New Jersey 7 legalizes sports gambling, that there will be increases in student athlete sports gambling? 9 A 10 And it's because of those alleged increases that 11 the NCAA contends that student athlete welfare 12 would be impacted? 1.3 Yes. The more avenues and opportunities where 14 student athletes and coaches and athletic 15 administrators can participate, the more 16 concerned we are about that having a negative 17 impact on their welfare. 18 Does the NCAA know how much sports gambling 19 involving student athletes occurs in the 20 21 A We know information from our studies that were 22 conducted. We didn't survey every student athlete. But we have a general sense based on 24 the 22, approximately 22 thousand Division 1, 2 25 and 3 student athletes, what those results VERITEXT REPORTING COMPANY www.veritext.com 212-267-6868 516-608-2400

Page 79

1 known. But bookies are one avenue, the internet is also another avenue that you can place bets on Division 2 and 3 contests, as well as in the state of Nevada my understanding is they are accepting more and more bets on Division 2 and Division 3 contests. Do you know whether there is any betting in the state of Nevada on Division 2 wrestling 8 9 involving this particular school? 10 A I don't know. 11 O In the second example that you gave involving 12 the staff member, what school was that? 1.3 I do not recall. A 14 O Do you recall what sport? A It would have been basketball. And I don't recall specifically if it was men's or women's. 16 17 Q And did you say that the staff member worked for 18 the school? 19 А Which staff member? 20 Q The staff member who was getting text messages. 21 Yes. I'm sorry, I thought you meant our staff 22 23 So the person who was getting text messages about gambling related information that you 24 25 mentioned earlier worked for the NCAA member

Page 80 2 And you're referring to the surveys performed by 3 the NCAA itself of its student athletes, 5 Correct. 6 And those surveys were performed in 2004 and 2008, correct? 8 Correct. And there is one that has yet to be 9 finalized in 2012. 10 Q Other than the 2004 NCAA survey, the 2008 NCAA 11 survey, and yet to be finalized 2012 NCAA 12 survey, are you aware of any other studies or 1.3 analyses regarding the level of sports gambling 14 by student athletes in the United States? That the NCAA has conducted? 16 Any other surveys. 17 Oh, I think we talked about this. I'm sure 18 there have been, but I don't recall. 1.9 Ms. Baker, this morning we talked about three 20 different harms, if I'm counting correctly, that 21 the NCAA alleges. The first is the increased 22 risk of match fixing that may result from 23 New Jersey legalizing sports gambling, correct? 24 Correct. 25 Q The second is the public perception of match

Page 81 1 fixing which may increase as a result of legalizing sports gambling in New Jersey, correct? 3 4 Α Yes. And the third is the impact on student welfare that may result from legalization of sports gambling in New Jersey, correct? 8 Α Yes. 9 Is there another harm that the NCAA alleges 10 would result from New Jersey legalizing sports 11 gambling? 12 MR. DREYER: Objection to the form of the 13 question. The pleadings speak for themselves in 14 the case. But you can answer. 15 A I think one of the great things about college 16 sports is, if you have ever been to a rivalry 17 game, if you have ever seen Ohio State/Michigan, 18 if you have ever seen Duke/North Carolina, if 19 you have ever gone and watched 20 Kentucky/Tennessee, the people and the fans that 21 come to our contests have a loyalty to the 22 institution and to the student athletes that are 23 on the field that really, in my view, is 24 unmatched. And they come to those contests 25 because they care about their school, they care

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

football games where you have a hundred thousand 2 people in the stands to watch, no, I don't have 3 any information about that. Is it possible that some of those people are there because they had a rooting interest because they have placed a bet on the game? It could, could be. 8 And the NCAA doesn't have any studies, analyses 9 or surveys regarding the number of people who 10 have rooting interest because of their team or 11 because of gambling or because of something 12 13 No. Α 14 Q So I believe you just described a fourth harm 15 that the NCAA alleges. Is there -- are there 16 any other harms that the NCAA alleges would 17 result from New Jersey's legalization of sports 18 19 MR. DREYER: Same objection that the 20 pleadings speak for themselves, but you can 21 22 That harm, no, that's all that I can think of. 23 The NCAA is not alleging that New Jersey's 24 legalization of sports gambling would result in 25 any financial loss to the NCAA or its member VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com 516-608-2400

Page 82 about the name that's on the chest of those 2 players, on the front of their jerseys and they 3 have an affinity to that. 4 And if sports gambling is added in the 5 state of New Jersey, then I believe that that could have an impact on the reason why fans are coming to our games and watching and enjoying the 17, 18, 19, 20-year-old kids that are on the 9 court or on the field playing as hard as they 10 11 So in addition to the public perception, in 12 addition to the harm to the student athletes, in 13 addition to the integrity of the game, 14 fundamentally changing the reason why fans come 15 and cheer for the school on the front of the jersey, would be a great harm. 17 O Ms. Baker, does the NCAA have any studies, 18 surveys or analyses regarding that harm that you 19 just described? 20 A Not that I'm aware of, no. 21 Q Does the NCAA have any studies, surveys, focus 22 groups or analyses regarding how many of its 23 fans currently have the rooting interest you 25 Other than the attendance numbers at our college Α

Page 84 1 institutions, correct? 2 MR. DREYER: Objection to the form of the 3 guestion. You can answer. 4 I don't think that we are. Our championships are still going to occur, they are just not going to occur in the State of New Jersey. And the NCAA doesn't have any studies or 8 analyses regarding any estimated financial loss 9 resulting from New Jersey's legalizing sports 10 gambling, correct? 11 Not that I'm aware of. 12 And the NCAA is not alleging that New Jersey's 13 legalization of sports gambling would result in 14 any loss of viewership to the NCAA or its 15 membership, correct? MR. DREYER: Objection to the form of the 17 question. You can answer the question. 18 Not that I can recall. 19 Does the NCAA have any studies, surveys or 20 analyses regarding the impact on viewership of 21 New Jersey legalizing sports gambling? 22 Not that I'm aware of. 23 Does the NCAA have any studies, analyses or 24 surveys regarding the impact on TV ratings of 25 New Jersey legalizing sports gambling?

212-267-6868

Page 85 Not that I'm aware of. 2 And the NCAA is not alleging that New Jersey's 3 legalization of sports gambling would affect TV ratings, correct? MR. DREYER: Same objection, allegations in 6 the case. You can answer. Not that I'm aware of. 8 Q The NCAA is not alleging that New Jersey's 9 legalization of sports gambling would result in 10 any loss of attendance to NCAA or its member 11 institutions, correct? 12 MR. DREYER: Same objections as to 13 allegations in the case. You can answer. 14 A Not that I know of. Q And the NCAA doesn't have any surveys, studies 16 or analyses regarding any decline in attendance 17 that it alleges would result from legalizing 18 sports gambling in New Jersey, correct? 19 A Can you repeat that question? 20 MR. SIGLER: Sure. I'll do it. 21 Q Does the NCAA have any studies or analyses 22 showing any estimated decline in attendance that 23 would result from New Jersey's legalizing sports 24 gambling? 25 A Not that I'm aware of. I'm still not a hundred

So that's where I might be 21 confusing myself. O Those championships would be held somewhere 22 23 else, correct? 24 Correct. 25 Q So other than the loss of championships to

Page 88 Is the NCAA relying on this document to support 2 its standing in the case? 3 MR. DREYER: Objection, calls for a legal conclusion, and our positions have been made clear in pleadings, but you can answer if you are able to. I'm not an attorney, so I don't know that I can 8 answer that question. I'm not an attorney for 9 us in this case or an attorney at all, thank 10 goodness. 11 MR. DREYER: And don't play one on TV. 12 Q The record is clear that you are not an 13 attornev. 14 Based on your understanding of standing in your capacity as the NCAA's representative on a 16 topic relating to standing, is the NCAA relying 17 on this document, Exhibit 5, in support of its 18 standing in the case? 19 MR. DREYER: Same objection. You can 20 21 I would assume so. I have not had any 22 conversations with counsel about that, but I 23 would assume if our president is giving a 24 declaration, we're relying on that. 25 (Deposition Exhibit 6 was marked for

212-267-6868

Page 89 identification.) Ms. Baker, you have been handed a copy of a document marked Exhibit 6. Please review this document, and tell me whether you recognize it. 4 Yes, I do. It is our rules related to ethical 6 conduct from 2010 and '11. Is this the current version of your rules relating to ethical conduct? I don't know if -- our rules potentially change 9 10 every year, depending on legislative proposals 11 that are put forward by our membership, and 12 there also can be legislative modifications. And there's other things in the ethical conduct 14 legislation besides just gambling, so there is a 15 possibility that some of the information --16 particularly I'm thinking about what's contained 17 in 10.1 -- could be somewhat tweaked or a little 18 bit different in the current legislative cycle, 19 if that makes sense. 20 Q Are you aware of any changes subsequent to this 21 version to 10.3 sports wagering activities? 22 I'm not aware of any substantive changes, no. 23 There could have been some wording 24 modifications, but I'm not aware of anything 25 substantive.

VERITEXT REPORTING COMPANY 212-267-6868 Www.veritext.com

516-608-2400

staff, so it wouldn't surprise me if there were 2 slight wording modifications made to some parts of 10, bylaw 10. But I'm just not aware of 3 anything substantive. 5 Focusing on 10.3, which is on the page with the Bates number PLAINTIFFS' 00003710 at the bottom. Does this summary of 10.3 summarize the NCAA's current sports wagering policy, to your 10 11 Yes. That has to be applied in conjunction with 12 how a wager in sports wagering is actually 13 defined, so 10.02 is also a partner bylaw to 14 10.3, if that makes sense. That defines what a 15 wager is and what sports wagering is. 16 10.02, which says "Definitions and 17 Applications," defines sports wagering and 18 wager, correct? 19 Α 20 And these are the definitions that the NCAA uses 21 in applying its policies, correct? 22 Correct. 23 And its policies include 10.3, correct? 24 25 What substantive revisions to 10.3 have there VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400 www.veritext.com

Page 90 Do you have the current version of 10.3 in your 1 0 2 own files? I would have it in the manual. O And the manual is this Division 1 Manual that's 4 5 reflected on the first page of this document? Yes. But the manual is online now, I believe. 6 Well, there is also a hard copy that is printed. 7 But the primary source of the manual is what's 10 O Is there a 2012 version of the manual? 11 There would be, yes. 12 And is there a different version of the manual 13 for each division, Division 1, Division 2, Division 3? A That's correct. 1.5 So this is the Division 1 Manual from 2010 and 16 2011, correct? 17 18 A That is correct. Q And just to be clear, are you aware of any 2.0 specific changes to any part of 10.3, subsequent 21 to this version, the 2010, 2011 version, 22 23 A I'm not aware of any substantive changes, but 24 every year there's wording modifications that 25 are made by our academic membership and affairs

Page 92 been in the last five years, that you can 2 recall? In the last five years? 4 MR. DREYER: Objection to the form of the 5 question, but you can answer. 6 I'm not tracking on substantive changes to 10.3 in the last five years. The substantive change occurred in '07, which I think is highlighted in the actual language of both 10.02 and 10.03 10 where it talks about at the very end, in the 11 parenthetical reference, that it was adopted 12 4-26-07. So that would have been the 13 substantive change. 14 So the last substantive change to this policy 1.5 10.3 was in 2007? 16 As far as I'm aware, yes. 17 What was that substantive change in 2007? 18 It more clearly defined what constituted sports 19 wagering and who was actually, who the policy 20 applied to. 21 And how was the previous version of this policy 22 different with respect to that issue? 23 It's been so long ago, I honestly, without 24 having the old rule in front of me, I don't 25 recall all of the specific changes. I just know

212-267-6868

Page 93 1 this, from what I remember, it clarified who the 2 policy applied to and what specific actions were caught up or would be considered sports wagering 4 under the definition. 5 Do you have the previous version of this policy reflecting the substantive change you just described in your files? 8 I don't know that I would have it in my files. It would be in the previous manuals. 10 Focusing on 10.3.2, which is entitled 11 "Sanctions," do you see that section? 12 13 Has this section changed substantively since 14 15 A Not that I'm aware of. But this section would 16 actually be managed by our student athlete 17 reinstatement staff that actually issues 18 sanctions for violations of rules for student athletes. 19 20 So they could have potentially made changes 21 to the sanctions part of it, and I just am not 22 tracking on it. 23 And when you say you're not tracking, that just 24 means you can't think of any, correct? 25 Correct.

VERITEXT REPORTING COMPANY 212-267-6868 Www.veritext.com

516-608-2400

parts that you see in (a), which involves point 2 shaving and actually betting on your own institution. 4 There are other types of sports wagering that can occur outside of these five areas, and those are handled on a case-by-case basis with our student athlete reinstatement staff utilizing case precedent, utilizing the seriousness of the violation as it relates to 1.0 any potential mitigating circumstances that may 11 12 And we would not be involved in assessing 13 those penalties. So is the reason that these particular types of 1.5 sports gambling in 10.3.2 (a) and (b) are called 16 out in these provisions that they are viewed as 17 more serious types of sports gambling 18 violations? 19 In which part? 20 10.3.2(a) and 10.3.2(b). 21 At the time these sanctions were put through, 22 ves, because these sanctions have been in place 23 for definitely the entire time I have been at 24 the NCAA, and I believe even several years 25 before me coming there. VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 95

Page 94 So is your group, your current group and then 2 previously the AGA group, not responsible for assessing sanctions under 10.3.2? That is correct. We are only the investigators. Focusing on 10.3.2(b), which begins with the 5 statement, "A student athlete who participates in any sports wagering activity through the 8 internet, a bookmaker, or a parlay card shall be 9 ineligible for all regular season and post 10 season competition for a minimum period of one 11 year from the date of the institution's 12 determination that a violation occurred, and 13 shall be charged with the loss of a minimum of 14 one season of eligibility." 15 Do you see that? 16 A I do. 17 Why does this section specify sports wagering 18 through the internet, a bookmaker, or a parlay 19 card? 20 A That sanction, even with the previous 10.3, has, 21 to my knowledge, always existed. Because the 22 membership wanted to specifically pull out 23 really four, five different types of betting, 24 three of those being the ones that you see 25 listed in part (b), and the other two being the

Page 96 So we were in a different world really. 2 frankly, related to the types of betting that 3 were available at that time. And so just to be clear, the specific types of 5 sports gambling that are referred to in 10.3.2(a) and (b), point shaving, betting on the 6 internet through a bookmaker or parlay card, are 8 viewed by the NCAA as more serious types of 9 sports gambling than the other types that aren't 10 listed here? 11 MR. DREYER: Objection to the form of the 12 question. You can answer. 13 I don't know that I can answer that. Obviously 14 (a) is extremely serious, and there's no 1.5 question that's at the top of the list. 16 As it relates to (b), this is just an 17 automatic penalty, so it doesn't even go through 18 the reinstatement process if one of these three 19 components exist. But that doesn't mean if a 20 student athlete bets legally in Vegas, for 21 example, on a college football contest, that 22 their suspension from play might not also equal 23 one year similar to what's listed in (b) 24 depending on the amount of money that was bet 25 legally as well as how many times they may have

Page 97 done it as well, if that makes sense. 2 0 So other types of sports gambling activity that aren't specifically referred to here would be assessed on a case-by-case basis, correct? 5 Correct. And legal sports gambling at a sports book in 7 Las Vegas is not one of the types of gambling that is specifically referred to in 10.3.2(a) and (b), correct? 10 A Correct. 11 Are you aware of any situation where someone has 12 received a sanction as serious as that indicated 13 under 10.3.2(a) or (b) for gambling legally at a 14 sports casino in Las Vegas? 15 A Oh. gosh. We've had lots of cases over the 16 years, and without me sitting down and going 17 through all of them, I don't know that I could sav with certainty. 18 19 I know we've probably had cases involving 20 student athletes or coaches or administrators 21 that have placed bets legally, but with all the 22 cases we've had, I'm having trouble recalling a 23 24 Betting through a lottery or a pool would be a 25 type of sports gambling that is not specifically

VERITEXT REPORTING COMPANY

516-608-2400 212-267-6868 VERITEXT REPORTING COMPANY

Page 98

```
referred to in 10.3.2(a) or (b), correct?
```

2 Well, that is actually --

3 MR. DREYER: Objection to the form of the

question. You can answer.

A It is not in (b), no, but it is mentioned in 5

10.02.

9

12

212-267-6868

So just to be clear, the NCAA would consider 0

8 betting through a lottery or a pool to be sports

gambling within the meaning of 10.02, correct?

A If there is an entry fee to participate in 10

11 either of those, and there is the possibility to

win a prize, then ves, that would be considered

13 sports gambling.

14 Q But that type of gambling through a lottery or a

15 pool would not trigger the automatic sanctions

16 in 10.3.2(a) or (b), correct?

17 Correct. It would be reviewed by our student

18 athlete reinstatement staff.

19 Q Does this policy, 10.3, apply to NCAA's student

20 athletes at all times of the year?

21 A Correct, yes.

22 Does it apply to them in connection with 0

23 conference championships?

24 Yes.

25 Q And does it apply to conference staff? 1 A Yes.

2 The NCAA does not prohibit student athletes from

engaging in non-sports gambling, correct?

4 Can you clarify your question?

Sure. So there could be sports gambling and

there could be non-sports gambling, correct?

A

And non-sports gambling would include playing

Blackjack at a casino for someone who is over

10 21. correct?

11 A

17

21

12 NCAA does not prohibit student athletes from

1.3 engaging in non-sports gambling, correct?

Our jurisdiction is only involving sports

15 wagering in which we sponsor a sport or

16 championship in that sport, as well as the BCS

football and emerging sports for women. So

18 that's where our jurisdiction is.

19 And what defines that jurisdiction?

20 Where our championships are, as well as the

sports that we actually sponsor.

22 (Deposition Exhibit 7 was marked for

23 identification.)

24 Ms. Baker, you have been handed a copy of a

25 document marked Exhibit 7. Please review this

516-608-2400

Page 99

Page 100 document, and tell me whether you recognize it. 2 Yes. I do. Α 3 What is this document? These are the minutes from the executive committee meeting in August of 2009. And this exhibit, Exhibit 7, reflects a portion 6 of those minutes discussing the NCAA's championships policy, correct? 9 Yes, it looks like it's an excerpt of them. 10 What is the championships policy? 11 That no predetermined or non-predetermined 12 session of an NCAA championship may be conducted 13 in a state with legal wagering that is based on 14 single game betting on the outcome of any event, 15 i.e. high school, college, or professional, in a 16 sport in which the NCAA conducts a championship. 17 That is the current championships policy, 18 correct? 19 A 20 And that policy was put into place at the 21 executive committee meeting reflected in these 22 23 It would have been adopted then, ves, correct. 24 What was the previous version of the 25 championships policy?

25

Page 101 Oh, gosh. I can't recall that off the top of my 1 2 head. I can't recall the exact wording of that. 3 Okay. Is there a document that reflects the previous version of the championships policy? Is there? I would guess, yes, that it would be 5 6 included in the bid specifications from our championships staff. 8 0 Does your group or previously the AGA group have 9 responsibility for the championships policy? Responsibility for the championship policy? No. 10 A 11 There's a separate group within the NCAA that 12 has responsibility for the championships policy? Well, there's a governance group that has 13 14 responsibility for policy and legislative 15 changes and recommendations, and then that work hand in hand with our championships group that 16 17 have policies specifically related to our 18 championships. So I don't know who has final 19 jurisdiction. I know they both work on it 20 21 Q Ms. Baker, looking at the first sentence of the 22 minutes, it states, "The committee reviewed a 23 request from the agents and gambling activities 24 staff to consider revising the championships 25 policy that regulates championships competition

212-267-6868

212-267-6868

the executive committee.

championships policy?

Who would know?

Yeah, I think so.

the championships policy?

516-608-2400

Page 103

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 102 within states that conduct sports wagering." 2 Do you see that? 3 Α T do. And you were on the agents and gambling activities staff during this period, correct? 6 Α I was, ves. You were head of it, right? I was the head of it, and very pregnant during 8 A 9 10 Q So were you involved in this request that's 11 discussed here in the minutes? 12 Α 13 0 Did you have responsibility for making that 14 request? 15 A 16 O Were you present at the executive committee 17 meeting to make that request? 18 I believe I was at that meeting. I did not Α present, but yes, I believe I was at that 19 20 21 Q Was there a written document that made that 22 request to the executive committee? 23 I don't recall if there was a written document 24 to the executive committee. I know that the 25 committee on sportsmanship and ethical conduct

Page 104 percentages of our student athletes' involvement 2 in this, that one of the things that we needed 3 to discuss as an association was if this was the right policy, which they obviously thought it was for men's and women's basketball, that this should be expanded to include all of our other sports as well. 8 Additionally, we were also tracking on the q fact that there were more and more sports that 10 were being put up on the boards in Vegas to be 11 able to bet on, so it went beyond just a 12 basketball, football arena. You can bet on 1.3 golf, you can get on ice hockey, you can bet on 14 baseball and all other types of sports. So if that was the case, then it would seem that this 16 policy, the membership needed to discuss whether 17 this should apply to all sports, and they agreed 18 that it should. 19 Can you recall another reason why the 20 championships policy was changed? 21 That's the main reason that I can remember. 22 If you could review with me, please, the second 23 sentence of this paragraph, "The staff noted 24 that the policy precludes NCAA championship 25 events in metropolitan areas with legal wagering

Page 105 that is based on the outcome of any event, i.e. 2 high school, college, or professional, in a 3 sport in which the NCAA conducts a 4 championship." Did I read that correctly? 6 A You did. 7 Does that sentence summarize the old policy that Я was being changed in August of 2009? 9 That was part of the wording. I do remember 10 that. And one of the concerns was that a 11 metropolitan area is very difficult to define, 12 so we were trying to get a much more defined 13 policy by focusing on states. 14 Q And that sentence doesn't say anything about 15 being limited to men's and women's basketball, 16 correct? 17 A That sentence does not. 18 But your recollection is that that was another 19 change in the policy? 20 A At some point, yes, it was expanded to include 21 all championships. And I think it was during 22 this same time. 23 Q You're not sure that it was changed on that 24 particular issue at the August 6, 2009 meeting, 25 correct?

> VERITEXT REPORTING COMPANY www.veritext.com

212-267-6868

516-608-2400

212-267-6868

212-267-6868

Page 107 committee noted that single game betting is 2 defined as wagering that involves either a money line or point spread wager." Do you see that 3 sentence? 5 6 And next sentence says, "The recommended policy does not apply to states that may offer parlay 8 betting, lottery tickets, or sports pools, pull 9 tabs." Do you see that? 10 Α 11 And then the next sentence says, "The committee 12 agreed that the integrity of the game is most 13 clearly at risk when single game betting occurs 14 with heightened possibilities for point shaving 15 schemes and other methods of directly affecting 16 the outcome of the game." 17 Did I read that correctly? 18 19 Does that discussion accurately summarize the 20 reason for the focus on single game betting in 21 the new version of the championships policy? 22 To my recollection, yes. 23 Under the old version of the championships 24 policy, the NCAA would not hold championships in 25 metropolitan areas involving any type of legal VERITEXT REPORTING COMPANY

www.veritext.com

Page 106 A I'm just rereading the policy, just to make sure 2 before I answer your question. Yes, that change 3 happened based -- and I'm basing that on one. 4 two, three, four, five, six, six lines down, that starts with, "The revised policy focuses on 6 legal wagering that is based on single game betting and clarifies that the provisions of the policy apply to all championship sessions, q inclusive of predetermined and non-predetermined 10 sites." 11 Q And that sentence that you just read describes 12 the new policy that was going into effect on 13 August 6th of 2009, correct? 14 Yes. Α 15 Q Ms. Baker, do you see that the new policy that you just read refers specifically to single game 17 hetting? 18 19 Q And the old policy did not refer to single game 20 betting, correct? 21 A That is correct, based on my recollection, that 22 those three words were not specifically 23 referenced in the old policy. And if you look at the middle of the paragraph, 2.4 25 do you see the sentence that says, "The

Page 108 sports wagering, correct? MR. DREYER: Objection to the form of the 3 question. You can answer. I don't have the old policy in front of me to be able to adequately answer that question. If you have it I can look at it and answer it. We weren't given a copy. So this is what I 8 9 But based on reading this document, is it 10 your recollection that changing the 11 championships policy to focus on single game 12 betting was one of the changes made at this 13 August 6, 2009 executive committee meeting? 14 Correct, ves. 15 Q Does the championships policy, the current 16 version, apply to early round games in the NCAA 17 March tournament? 18 MR. DREYER: Objection to the form of the 19 question. You can answer. 20 A It would apply to any session of an NCAA 21 championship. Q And I'm sorry, did you understand what I was 22 23 asking when I referred to early round games in 24 the NCAA tournament? 25 A That's a session of the championships, so yes.

516-608-2400

Page 109 So the first round of NCAA's March Madness tournament would be covered by the championships 3 policy, correct? 4 Correct. 0 And what about early round games in the NIT 6 tournament? Actually I'm not sure on that one. 8 Does the championships policy apply to BCS 0 ballgames? 10 Does our championship policy apply to BCS 11 ballgames? No. Those aren't our championships. 12 Does the NCAA's championship policy apply to Q 13 conference championships? 14 Α No. Those aren't our championships, the NCAA's 15 championships. 16 Q If the NCAA is concerned about all types of 17 sports wagering, why did it change its 18 championships policy to allow championships to 19 be held in places where sports wagering 20 involving lottery tickets, parlay betting and 21 sports pools occur? 22 A Well, I think as the minutes note, that the 23 heightened possibility for point shaving schemes 24 occur and have historically occurred when there 25 is single game betting involved, so there's a

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

2 policy is the concern of match fixing, correct? Yes. The game is most clearly at risk, as it 3 says in the minutes, when single game betting is occurring. Why doesn't the NCAA championships policy apply to conference championships? 8 MR. DREYER: Objection, asked and answered. Because those are not NCAA championships. 10 And the NCAA's conduct policy applies in 10.3, 11 in the context of conference championships, 12 13 Can you repeat your question? 14 Sure. We discussed earlier that the NCAA's 15 student athlete conduct policy 10.3 applies at 16 conference championships, correct? 17 It would apply at any point in the year, yes. 18 So why is that any different than the 19 championships policy? 20 Competing in a championship or in any contest in 21 Nevada is not a direct violation of 10.3. 22 Why does the NCAA apply its conduct policy to 23 conference championships but not its 24 championships policy? 25 A Our rules directly relate, the NCAA rules relate VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com 516-608-2400

So the primary concern driving the championships

Page 111

Page 110 1 line on the game. 2 None of our point shaving scandals have 3 involved a lottery ticket or have involved 4 parlay betting or have involved sports pools or pull tabs, and while not impossible, that is farther removed and would be much more difficult to impact the actual game itself than obviously just the single game betting would be. So 9 that's where the committee's focus and concern 10 Q So is it fair to say that the concern driving the NCAA's championships policy is the concern 12 13 of match fixing and not the concern of student 14 athlete welfare? 15 MR. DREYER: Objection to the form of the question. You can answer. 17 No, it's not fair to say that. Α 18 0 Why not? 19 Α Because obviously we're also concerned about the 20 student athlete welfare issues as well, but as 21 it comes specifically to directly impacting the 22 actual game, single game betting is the number 23 one way where a game could be directly impacted, 24 not by buying a lottery ticket or buying a 25 sports pull tab.

Page 112 1 directly to the student athlete's behavior, so if a student athlete walks into a sports book and places a bet on Michigan/Ohio State, then that's going to be a violation because that's a direct impact on their behavior. Our rules do not govern how championships are conducted by conferences, how a conference 8 chooses or where a conference chooses to conduct their championship. We've chosen not to for 10 many of the reasons that we've already talked 11 about today. But we have no control or 12 authority to be able to tell a conference they 13 cannot post a championship or game there, and in 14 fact, we have two member institutions that are 15 there obviously as well, in the Nevada Reno and 16 17 Do you recall, in connection with this policy 18 change in August of 2009, any specific request 19 by a particular state or metropolitan area to 20 host an NCAA championship that was driving this change in policy? 21 I don't recall any specific requests. Obviously 22 23 Delaware was going through their legislative 24 process during that time. But I can't remember 25 from a timing perspective, which, when that all

Page 114 THE REPORTER: Wait, slow it down. 2 MR. DREYER: I would also suggest that you can ask any way you want, but we do these one at 3 a time so we have a clear record, as the court 4 5 reporter indicated. But it is your deposition. The Mountain West Conference has hosted 7 conference championships in Las Vegas, correct? 8 Yes, and we have had staff that have gone out A there to present and speak to the teams 10 participating in the tournament. 11 0 Have you had any sports gambling related 12 problems from that? 13 A None that I can recall. It was just last year 14 that we participated -- we went out there and 15 spoke to the teams. 16 Q The Western Athletic Conference has hosted its 17 conference championship in Las Vegas, correct? A Yes, I believe the WAC has also hosted, and I 18 19 believe that was also another conference 20 championship that we attended. 21 Q And has the NCAA had any sports gambling related 22 problems from that conference tournament? 23 MR. DREYER: Objection to the form of the 24 question. You can answer. A None that have come to light.

Page 116 1 AFTERNOON SESSION 2 EXAMINATION, (CONTINUING), 3 QUESTIONS BY MR. GEOFFREY SIGLER: (Deposition Exhibit 8 was marked for 5 identification.) 6 Ms. Baker, you have been handed a copy of a document marked Exhibit 8. Do you recognize this document? 9 10 What is this document? 11 It is the final report of the 2003 sports 12 wagering study. 13 And when was the last time you saw this 14 document? 15 That's a good question. Outside of 16 conversations with counsel, 1 could not recall. 17 Did you review this document in your discussions 18 with counsel yesterday? 19 MR. DREYER: You can answer yes or no. 20 21 And Ms. Baker, the cover of this document says 22 the "2003 NCAA National Study," but I believe 23 I've seen it referred to as the 2004 study. Is 24 that accurate? 25 A Both dates have been used, yes.

212-267-6868

Page 117 1 Okay. So just for purposes of today, when we 2 refer to the 2003 study or the 2004 study, this is the study, correct? 4 A Sure, ves. 5 MR. DREYER: So the record's clear, "this" referring to NCAA No. 8. MR. SIGLER: Correct. 8 Q Ms. Baker, earlier today you referred to some of 9 the studies that the NCAA has conducted on 10 student athlete gambling habits, correct? 11 Α 12 Q And this is one of the studies that you were 13 referring to, right? 14 15 Q And is the NCAA relying on this document in this 1.6 case? 17 MR. DREYER: Same objection to what the 18 NCAA is relying on in this case. You can 19 answer. 20 A This would be a study that supports the 21 statement that our student athletes are heavily 22 involved in sports wagering, and that we have 23 concerns related to them being approached to 24 affect the outcome of a game. 25 Q And does this document, Exhibit 8, support, in

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 119 Q So just to be clear, when you say you were on staff, that means you were an NCAA employee at That's correct. But you had no direct involvement in conducting the study, Exhibit 8, correct? Not that I remember, no. And are you familiar with the survey methodology that the research staff used to conduct this 10 study? 11 On a very basic level, yes. 12 And if I needed to understand the statistical 13 techniques that were used, such as sample size 14 and margin of error, who at the NCAA would I 15 need to ask about that? 16 Todd Petr 17 And you would not be able to answer those 18 guestions, correct? 19 Α 20 MR. DREYER: Objection to the form of the 21 question. 22 If you could turn with me, please, to the page 23 with the Bates number at the bottom, 2826. And 24 just to be clear for the record, that's 25 PLAINTIFFS' 00002826. VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 118 your view, the claim that New Jersey's 2 legalization of sports gambling will harm the 3 NCAA? A Yes. 5 O Who conducted this study, Exhibit 8? 6 A This was a study that was conducted in-house with some -- I do believe there was outside 8 consultants or researchers that also helped the 9 in-house researchers. 10 Q So it was primarily conducted in-house? 11 Through our research department, ves. A 12 And who specifically in the research department 13 helped prepare this study? A Todd Petr. 1.4 O Was Tom Paskus involved as well? 16 A I don't remember when Tom Paskus joined the NCAA 17 staff. And it's hard because I have got three 18 studies in my head that start running together. 19 So he may have been. I just don't remember when he first started. I know Todd for sure was 20 21 involved. 22 Q Were you involved in conducting this study, 23 24 A I was on staff at the time, but I was not 25 involved in the actual study conducting.

Page 120 Do you see it says "Executive Summary" at 2 the top of the page? 3 Δ T do And is this page a summary of the key findings from the 2003 study? Yes, I believe these are the primary findings. 6 And if you go to the column on the right-hand 8 side, the second bullet from the top, it says, 9 "The most frequent student athlete gambling 10 behaviors included playing cards or boardgames 11 for money, betting on games of personal skill, 12 pool, darts, bowling, purchasing lottery 13 tickets, playing slot or electronic poker 1.4 machines, and betting via sports cards, football pools or parlays." 16 Did I read that correctly? 17 You did. 18 And this is the summary of the most frequent 19 methods that student athletes gamble, according 20 to this study, correct? 21 A According to the 2003 study, yes. 22 And gambling at a legal sports book in a casino 23 is not one of the listed behaviors that was 24 frequently used by student athletes, correct? 25 MR. DREYER: Object to the form of the

212-267-6868

Page 121 1 question. You can answer. 2 It is not listed as a most frequent gambling 4 Q The next bullet point says, "Fewer than 50 5 percent of NCAA student athletes reported 6 knowing NCAA rules on sports wagering." 7 Do you see that? 8 Α 9 And was one of the conclusions from this 2003 1.0 study that this was a problem? 11 MR. DREYER: Objection to the form of the 12 question. You can answer. 13 Can you clarify your question, please? Sure. Was one of the takeaways from this 2003 15 study. Exhibit 8, that not enough NCAA student 16 athletes knew the NCAA rules on sports wagering? 17 One of the takeaways was that we did want to 18 increase the educational efforts of our student 19 athletes. 20 Q Did the NCAA do that as a result of the study, 21 increase its educational efforts? 22 Absolutely. I lived and breathed it for a lot 23 of years. 24 And did that have a positive impact on level of 25 sports wagering by NCAA student athletes?

2 MR. DREYER: Object to the form of the question. You can answer. That is all in the eye of the beholder. I view these numbers as significant because of the fact 6 that one percent or one half of a percent is too much. One student athlete is too much to be involved in this. 9 O You agree that someone might look at this and 10 conclude that one percent is a small percentage, 11 correct? 12 MR. DREYER: Objection to the form of the 13 question. 14 I would conclude it would depend what your 1.5 sample size is. And my recollection of this 16 study is that that one percent equates to at 17 least 17 men's basketball student athletes and 18 over a hundred football student athletes, which 19 means when you're watching a football game on 20 Saturday, the likelihood that there's one player 21 on that field that has done something to, has 22 accepted something or done something to affect

to conduct relating to match fixing, correct?

212-267-6868

the outcome of the game, is there, it is a very

real likelihood, and I don't view that as a

small percentage, no.

516-608-2400

Page 123

Page 122 I believe in the 2008 study there were signs 2 that showed -- especially where we had focused a lot of our education in Division 1 men's 3 basketball and football, was some of the focused 5 messaging that we were providing -- we do believe there is some evidence to suggest that that increase in education helped. 8 Q So if you put the studies the NCAA has performed 9 together, is it fair to say that the NCAA has 10 found that its education efforts can have a 11 positive impact on the level of sports gambling? 12 It is one way that we can try and continue to 1.3 fight our student athletes being involved in 14 sports wagering. 15 Q Going to the next bullet point, it says, 16 "Approximately one percent of football players 17 reported accepting money for playing poorly in a game; one half of one percent of men's 18 19 basketball players reported the same; about two percent of men's football and basketball players 21 have been asked to affect the outcome of the 22 23 Do you see that? 24 A

Page 124 17 men's basketball players accepted money for 2 playing poorly, or 17 were asked to affect the 3 outcome of the game? If you turn to page 24 and look at the bottom 4 chart, Figure 10A, 17 individuals in basketball and 102 individuals in football reported at 7 least one of these extreme behaviors, which R includes taking money for playing poorly in a 9 game, knew of a teammate who took money for 10 playing poorly, been threatened or harmed 11 because of sports wagering, been contacted by an 1.2 outside source to share inside information, or 1.3 actually provided inside information about a 14 game. And so yes, I do view those numbers as 15 high. 16 Just to be clear, we're on the page that has the 17 Bates numbers PLAINTIFFS' 00002845, correct? 18 19 And the note at the bottom of the page refers to 20 the total of 17 individuals, 4.4 percent in 21 basketball, correct? 22 23 And the total of 17 includes people who have 24 reported any of the infractions listed in the 25 chart right above that, Figure 10A, correct?

Q And these are very small percentages that relate

Page 125 1 Α Yes. 2 And the top row in the chart refers to taking money for playing poorly in a game, correct? 4 Α Correct. 5 And the percentage listed next to that for basketball is .5 percent, correct? 7 Α And so of the 4.4 percent that reported at least 9 one of these infractions, only a fraction 10 reported having taken money for playing poorly 11 12 MR. DREYER: Object to the form of the 13 question. You can answer. A That number is greater than one, and so in my 15 view that's too manv. 16 Q Understood. But if you could answer my 17 question -- I just want to make sure we're 18 clear -- of the 17 individuals who reported one 19 of these types of infractions in the chart at 20 Figure 10A, only a fraction reported taking 21 money for playing poorly in a game, correct? 22 I wouldn't say a fraction. I would say .5 23 percent, which is what the number says. 24 0 The percentage of football players who reported 25 taking money for playing poorly in a game was

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 127 MR. DREYER: Objection to the form of the 2 question. You can answer. I know that .5 percent took money for playing poorly in a game. 5 But you don't know how many individuals, 6 correct? 7 I could figure it out. But I don't have a calculator and haven't -- I don't know it off 9 the top of my head. 10 Do you know what portion of the .5 percent 11 involved legal betting at a sports casino as 12 opposed to illegal gambling? 1.3 I do not. Do you know if any of the .5 percent took money 15 for playing poorly in a game for reasons 16 completely unrelated to sports gambling? 17 MR. DREYER: Objection to the form of the 18 question. 19 Well, the survey is anonymous, so no, I do not. 20 Can you turn with me, please, to the page with 21 the Bates number 2840 at the bottom. And for 22 the record, it's PLAINTIFFS' 00002840. This is 23 Figure A, correct? 24 Correct, 4A. 25 And there's also a Figure 4B on the next page.

212-267-6868

VERITEXT REPORTING COMPANY
www.veritext.com 516-608-2400

Page 126 1 1.1 percent, correct? 2 Α Yes. 3 Q Based on this chart and the note at the bottom, do you agree that less than 17 individuals 5 reported taking money for playing poorly in a 6 game? MR. DREYER: Objection to the form of the question. You can answer the question. 9 I would agree that .5 percent of men's basketball student athletes took money for 10 11 playing poorly in a game. 12 And that .5 percent is less than the 4.4 percent 13 total that results in the 17 individuals. 14 correct? 15 A Yes. So fewer than 17 individuals took money for 16 17 playing poorly in a game, correct? 18 MR. DREYER: Objection to the form of the 19 question. You can answer the question. 20 .5 percent took money. I don't know, I honestly 21 don't know what that works out to in terms of 22 real numbers, off the top of my head. So you don't know how many individuals in the 23 24 survey took money for playing poorly in a game, 25 correct?

Page 128 2 Do these two figures go together? Yes, it looks like they do. They are just a continuation of each other. And these figures report the percentage of student athletes reporting any type of gambling 8 activities, which could include gambling other 9 than sports gambling, correct? These are all -- it looks like these are all 10 11 forms of gambling activities. 12 And some of these gambling activities, for 13 example, stock market and commodities, have 14 nothing to do with sports gambling, correct? 15 Well, if you talk to researchers in this field, they will tell you there's a lot of similarities 16 17 between the stock market and gambling activities. And that's, that's a common 18 19 question in research such as this. I think 20 we've always included it in all our, all three 21 of our sports wagering studies, for that reason. 22 Okay. But just to be clear, this figure is 23 reporting on any type of gambling, not just 24 limited to sports gambling, correct? 25 Correct.

Page 129 1 MR. DREYER: Objection to the form of the 2 question, as to which figure you are referring to, but the witness has answered. 4 Did you understand I was referring to Figure 4A 5 and 4B? 7 0 Of the categories listed for types of gambling in Figures 4A and 4B, does any category refer to legal sports wagering in a casino? A It does not. And I believe that is one of the 10 11 reasons why we added that question in the 2008 12 study. I do believe it exists in the '08 study. 13 O Do you know why it wasn't a category in the 2004 14 A I do not. 15 16 Q Can you turn with me, please, to the page with 17 the Bates number 2854 at the bottom. 18 And do you see the first question at the 19 top of the page is, "How old are you?" 20 A Yes 21 O And the number of student athletes who reported 22 being 21 years old was 18.2 percent, correct? 23 24 And the number who reported being 22 or older 0 25 was 11.4 percent, correct?

VERITEXT REPORTING COMPANY

516-608-2400

Page 131 1 the percentages of the ages that are indicated 2 here, 29 percent, 21 and older, do you have any reason to believe the percentage is something other than that from any other source of information? 6 7 MR. DREYER: Objection to the form of the 8 question. 9 So the best information we have is that only 29 10 percent of NCAA student athletes are 21 and 11 12 29 percent of the student athletes that were 13 surveyed, because we didn't survey all NCAA 14 student athletes, we surveyed 22,000, 15 approximately 22,000 student athletes. So of 16 those 22,000, 29.6 percent would have been over 17 18 And you understand the purpose of the survey was 19 to try to get results that could be extrapolated 20 to all student athletes? 21 22 So the best information we have based on the surveys is 29 percent of all student athletes 24 are 21 or older, correct? 25 A I don't know if that -- I don't know if you can VERITEXT REPORTING COMPANY

212-267-6868

ww.veritext.com

516-608-2400

```
Page 130
 2
         Now, to gamble legally in a casino in Las Vegas
 3
         you need to be 21 years old, correct?
       That is my understanding, yes.
     O So according to this study, only around 29
         percent of NCAA student athletes would even be
         allowed to gamble legally in Las Vegas, correct?
              MR. DREYER: Objection to the form of the
 9
         question, but you can answer.
10
    A Yes, based on the survey sample.
11
     O And do you have any other information in mind
12
         from the NCAA that would suggest that the
13
         percentages who are under 21 or over 21 are any
14
         different than what is reflected here?
    A I don't know. I don't recall if we cross --
16
         well, we didn't ask the guestion in '04, so
17
         there wouldn't be any information in this that
18
        does a cross-check of age and being able to bet
19
        in Nevada specifically.
20
              So for this study, no, I'm not aware of any
21
         analysis that looks at the age compared to being
22
         able to bet legally in Nevada, because we didn't
23
         ask the question in the study about betting
24
         legally in Nevada.
    Q Okay. Let me ask, to make sure I got an answer,
25
```

```
Page 132
         equate that from an age perspective or not.
 2
         don't know that I'm willing to be able to say
         that.
        But you're not aware of any information
         suggesting that the percentage is anything other
         than what is reflected here in this survey,
 8
    Α
         No.
 9
        If you could turn with me, please, to the page
10
         with the No. 2863 at the bottom; do you see the
         question No. 6 on this page is, "Have you ever
11
12
         wagered legally on sports in the state of
13
         Nevada?
14
        T do.
    Q Is that the question that you were thinking of
16
         earlier?
17
         Yes, it must be.
18
        Okay. And this question is whether you have
19
         ever wagered legally on sports in the state of
20
21
    A
         Yes.
22
        As opposed to wagered legally within the past 12
23
         months or past month, correct?
24
        I don't recall if we -- I know we did survey
25
         student athletes related to the frequency of
```

Page 133 1 their gambling, but without going through and 2 looking, I can't remember if that was a particular question. 3 Okay. But this particular question at least is have they ever done it, as opposed to in the past 12 months or past month, right? 6 8 And this question asks whether someone has wagered legally on sports, regardless of what 10 sport was involved, correct? 11 The question doesn't specify the sport. 12 0 And 3.7 percent of the student athletes surveyed 13 responded yes to this question, correct? 14 A That is correct. 15 Q So of the 3.7 percent that would include, just 1.6 by way of example, men's golfer gambling on basketball, correct? 17 18 MR. DREYER: Objection to the form of the 19 question. 20 A Again, because the survey was anonymous, and 21 there's no way to go back and assume that for 22 sure, but that could be a possibility. 2.3 Q Do you know whether this question, "Have you 24 ever wagered legally on sports in the state of 25 Nevada," was repeated in any of the later

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

to play poorly in a game. 2 So I think all of this shows the harm that 3 could come by having additional opportunities for our student athletes to wager on sports. This survey, Exhibit 8, reflects the sports 5 gambling and gambling related activities of student athletes back in 2003, correct? 8 It actually would have been -- because this was 9 announced in '03 or '4 -- it might not have been 10 that '03 or '04 class. I can't remember the 11 actual cohort of the class. It might have been 12 '02, '01 or '02 class, but yes. 13 No question in this study gets to the issue of 14 how many student athletes would gamble on sports 15 in 2012 or 2013 in New Jersey, correct? 16 MR. DREYER: Object to the form of the 17 question. You can answer. 18 There is no question in there specific to 19 New Jersey, because it is illegal to bet on 20 sports in New Jersey. 21 (Deposition Exhibit 9 was marked for 22 identification.) 23 Ms. Baker, you have been handed a copy of a 24 document marked Exhibit 9. Please review this, 25 and let me know whether you recognize it. VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com 516-608-2400

Page 134 surveys? 1 2 MR. DREYER: Objection, the surveys speak for themselves, but you can answer. 4 A Yeah, I don't recall the questions. And I have three studies in my brain that kind of run together. But I would think that would have been a question we would have continued to ask. Do you recall there being any discussion about 9 whether to ask this question in subsequent 10 surveys? 11 A I don't recall that. 12 Q Ms. Baker, nothing in this survey, Exhibit 8, 13 specifically addresses the impact of legalizing 14 sports gambling in New Jersey, correct? 15 MR. DREYER: Object to the form of the question. You can answer. A I disagree. I think all of it speaks to the 17 18 19 0 Can you explain what you mean by that? 20 A Yeah. I think what this shows is that our 21 student athletes are at risk to be involved in 22 sports wagering behaviors, and specifically 23 those behaviors that have an impact on the 24 integrity of the game, by either being 25 approached to share information or taking money

Page 136 A It has been a long time but I do remember the survey announcement and the announcement of the 3 formation of the task force. 4 And is that what this document reflects, it's an announcement of the 2004 survey results and announcement of the task force? Yes, I believe, yes, we also announced the 8 formation of a national task force at that time 9 based on President Brand's direction. 10 Q So this document, Exhibit 9, is a news release 11 on or about May 12, 2004, relating to the 2004 12 student athlete survey we just reviewed, 13 Exhibit 8, correct? 14 Correct. 1.5 Q And this is obviously a much smaller document, 17 Than the study document? Yes. 18 Exhibit 9 is much smaller than Exhibit 8, 19 correct? 20 21 And is Exhibit 9 intended to capture the key 22 findings that would be of interest to the press 23 from the entire survey, Exhibit 8? 24 MR. DREYER: Object to the form of the 25 question. You can answer.

212-267-6868

212-267-6868

Page 137 A You know, I wasn't involved in the development of the press release, but as with any press release, it's designed to give a snapshot. Do you know who prepared this news release? 4 5 It would appear, based on the document that, 6 Erik Christianson, the director for public and media relations at the time, would have been involved in the document preparation. 9 Would you have expected him to have prepared it 10 in conjunction with someone from the research 11 area, such as Todd Petr? 12 A I was not involved in the preparation of this, 13 so I don't know who all Erik would have worked 14 with at the time. 15 Can you turn with me, please, to the page with 16 the No. 3844 in the bottom right-hand corner. 17 Α Q And do you see that this page says "Key 18 19 Findings" at the top? 20 A Yes. 21 So does this page 3844 reflect the key findings 22 from the 2004 survey Exhibit 8? 23 I was not involved in the preparation of this. 24 So I don't know what they were trying to convey 25 related to -- these were some of the findings,

> VERITEXT REPORTING COMPANY 516-608-2400 www.veritext.com

Page 139 I do. 2 And do you see that the second bullet point 3 says, "The football numbers for changing the outcome of a game for money are not significant 5 from a percentage standpoint, 1.1 percent, but any number of student athletes that are in danger of altering or actually trying to alter the outcome of a game is significant." 9 Did I read that correctly? 10 Α 1.1 Do you agree with that statement? 12 I don't, with all due respect to whoever created 13 14 0 And what part do you agree or disagree with? 15 I agree that any number of student athletes that 16 are in danger of altering or actually trying to 17 alter the outcome of a game is significant. I 18 would say 1.1 percent is too many. And so I 19 would personally classify that number as 20 significant. 21 And you don't have any special statistical 22 training that would lead you to make an 23 assessment of 1.1 percent as being statistically 24 significant, correct? 25 My training would be in dealing with student VERITEXT REPORTING COMPANY 212-267-6868

Page 138

1 but these are not obviously all of the findings 2 that are mentioned in the full report. Q And generally when the NCAA makes a news release 4 to the press, it tries to highlight key points that it wants the press to understand, correct? 5 That's how we do it now, yes. 6 7 Q And that's how you did it back in 2004

MR. DREYER: Objection, foundation. You

presumably as well, correct?

10 can answer.

11 I couldn't speak, because I wasn't in, directly 12 involved in the formation of all of these

13 documents in the press release.

Q Are you involved in making news releases or 14

15 press releases today in your current position?

16

212-267-6868

17 Q So based on your understanding of how the NCAA 18 handles those today, you would have expected the

19 NCAA to include key findings of interest to the

20 press in its news release back in 2004, correct?

21 I would be assuming, because I was not directly

22 involved, but yes, I would have assumed that. 23

Can you turn with me, please, to the next page, 0

24 3845. Do you see that it says "Football Issues"

25 at the top?

www.veritext.com

516-608-2400

Page 140

1 athletes over the last ten years and actually 2 caring about what happens to them, so that's why I would view that as significant. 4 You don't have any special statistical training, 5 6 I do not have any statistical training, no.

7 Now, nothing here on the "Football Issues" page,

3845, refers to legal sports gambling in Nevada, correct?

9 1.0

MR. DREYER: Object to the form of the 11 question. The document speaks for itself. You 12 can answer the question.

13 I don't see anything specifically referencing

14 Nevada.

15 And on the previous page, 3844, "Summarizing Key 16 Findings," you also don't see anything that 17 relates to legal sports gambling in Nevada,

18 correct?

MR. DREYER: Same objection. You can 19 20

answer 21 Well, I think you could make an argument that

22 the first bullet does, because it talks about no 23 campus being immune to the problem, and

24 obviously there are campuses in the state of 25

Nevada. So that would be the one piece where

2

20

21

22

23

24

25

2004 study?

Page 141 there may be a tie. 2 Anything else? Q 3 А So is it fair to say that for whoever prepared 5 this summary for the press, they did not view 6 the level of sports gambling in Las Vegas to be 7 one of the key findings, correct? 8 MR. DREYER: Object to the form of the 9 question, and lack of foundation. You can 10 answer. 11 A Well, I honestly -- again, because I wasn't 12 involved in the creation of this -- I don't know 1.3 that all of this was provided to the press. The 14 press release would seem to indicate that the first three pages were obviously provided to 16 them. But I don't know about No. 3833 through 17 3846, when, who prepared that, or when it was 18 produced, and if it was produced in conjunction 19 with the press release. I don't know. 20 Q Ms. Baker, you mentioned earlier when I showed 21 you this document that you recalled formation of 22 a task force, correct? 23 24 0 And if you look at the last page of this 25 document, 3846, it discusses a task force. Do

provided to the task force specific to the S sports wagering study. And did the task force come up with a specific 8 list of recommendations for the NCAA to follow relating to sports gambling? 10 There were several recommendations that the task 11 force put forward, yes. 12 Do you recall what those were? 13 Oh, my gosh. There were so many. I don't 1.4 recall all of them, no. Because there were three subcommittees and recommendations for all of them. 16 17 Do you recall any recommendations that had to do 1.8 specifically with match fixing? 19 Yes. There was a recommendation for the NCAA to

try and -- my words, I'm not going to get the

And how was the NCAA supposed to be monitoring

specific wording because it's been several

years -- but be more aggressive in the

full task force for review and approval.

A I believe there were, there was information

Did the task force analyze the results of the

212-267-6868

516-608-2400

VERITEXT REPORTING COMPANY 212-267-6868

point spreads?

monitoring of point spreads.

516-608-2400

Page 143

Page 142 1 you see that? 2 3 0 Is this the task force that you were talking 4 about earlier? The sports wagering task force that was formed by President Brand in response to the initial 6 findings, yes. 8 Were you part of that task force? 0 9 A I was not a member of the task force. I was a 10 staff member that provided support, 11 administrative support and help to the task 12 force. 13 Was the task force itself comprised of representatives from member institutions? 14 15 A That was one category of individuals, based on my recollection, but there were other folks 16 17 involved as well. 18 Who was responsible for coming up with 19 recommendations for the task force? 20 A There were three subcommittees, based on my 21 recollection, and all the task force members 22 were assigned to be a part of the subcommittee. 23 part of one subcommittee. And then those 24 subcommittees developed recommendations based on 25 that area, and those were then presented to the

Page 144 A They didn't tell us how. They just said figure it out and do it. 3 So how did the NCAA monitor point spreads in response to that recommendation? Well, there were various ways. One was by 6 establishing relationships with law enforcement, establishing relationships with folks in the industry. 9 What industry? 10 In the gambling industry; by monitoring what was 11 taking place online with the point spread, with 12 internet sports books; and I'm not going to get 13 all of them. There were several. 14 O And with respect to establishing contacts with 15 the gambling industry, does that mean that the 16 NCAA was communicating with gambling operators 17 in Nevada? 18 MR. DREYER: Before you answer the 19 question, you're obviously getting into an area 20 we previously objected to as beyond the scope of 21 the 30(b)(6). I'll give you some latitude, but 22 so the record is clear, the witness is 23 testifying on her own behalf and not on behalf 24 of the NCAA, since it's not within the scope of 2.5 the 30(b)(6) categories the judge allowed.

212-267-6868

Page 145 1 MR. SIGLER: I disagree, but I appreciate 2 the latitude, so we can move on. 3 MR. DREYER: No need form attitude either, just so the record's clear. Let's try and be 5 civil. You can answer the question. MR. WEGNER: I think he said latitude, not attitude. 8 MR. DREYER: No, I said there's no need for 9 an attitude for Mr. Sigler. I'm trying to be 10 professional here, and I'd appreciate the same 11 courtesy. 12 THE WITNESS: Counsel, would you repeat the 13 question? 14 (The previous question was read back by the 1.5 reporter as follows: "And with respect to 16 establishing contacts with the gambling 17 industry, does that mean that the NCAA was 18 communicating with gambling operators in 19 Nevada?") 20 Not at that time, no. 21 So who in the industry, if not gambling operators? 22 23 Well, at the time that the request, or at the 24 time that we were, it was suggested that that 25 was an avenue to do it, we weren't doing it.

VERITEXT REPORTING COMPANY

516-608-2400

212-267-6868

Page 147 And did that assistance lead to the NCAA being 2 able to identify any instances of gambling A I think we talked about this this morning related to the point shaving incidents. And I don't recall whether any of those instances started with Vegas or started actually with law enforcement and then Vegas getting involved. Do you recall getting any leads from gambling 10 operators in Nevada? 11 I recall having conversations with gambling 12 operators about potential issues, ves. I just 13 don't know the timing of when those occurred. 14 Okay. And which gambling operators were those? There have been several, Robert Walker at the 1.5 16 MGM Mirage, Jay Kornegay at the Hilton, and 17 Kenny White with Las Vegas Sports Consultants. 18 You're not getting any similar assistance from 19 illegal gambling operators, correct? 20 MR. DREYER: Object to the form of the 21 question. You can answer. 22 I'm not sure how I would answer that, because, 23 well, first off, if you consider the cases that 24 we've worked on where our student athletes have 25 been involved in illegal gambling activities,

VERITEXT REPORTING COMPANY

Page 146 1 Yeah, if that answers the question. 2 In response to the recommendation or request, 3 did the NCAA in fact establish contacts with gambling operators in Nevada? 5 Yes. I did. A 6 0 And did those operators help the NCAA monitor point spreads? 8 I think that those operators and the NCAA Α 9 understood that we were very much coming at this 10 from two very different positions, and while our 11 preference would be that there not be any 12 wagering on sports in the state of Nevada or 13 Vegas, that we were going to try and make the 14 hest of a had situation 15 And there have been -- this is one area 16 where we both have an interest but for very 17 different reasons -- and because of that, we 18 have tried to have conversations about what's 19 going on in the world of gambling, sports 20 21 Q So was that a yes? Let me ask the question 22 again just to make sure. 23 Did sports gambling operators in Nevada 24 help the NCAA monitor point spreads? 25 A Yes, they have.

Page 148 2 from those cases that have helped us in terms of trying to address and tackle the issue. But I don't have any contractual arrangements or agreements with illegal betters to monitor what's going on. And the recommendation that was made by the task 8 force was to reach out to legal gambling 9 operators, correct? 10 I actually don't know if they specified. I'd 11 have to go back and look. 12 As a result of that recommendation, you reached 13 out to legal gambling operators, correct? 14 That was one group, yes. And did you affirmatively reach out to any legal 16 gambling operators as a result of that 17 recommendation? 18 No, I did not. 19 (Deposition Exhibit 10 was marked for 20 identification.) 21 Q Ms. Baker, you have been handed a copy of a 22 document marked as Exhibit 10. Do you recognize 23 24 A It looks like a PowerPoint presentation that 25 would have been given on the results of the 2004

Page 149 study. But I don't recall when the -- when it 2 would -- who it would have been presented to. 3 Do you recall this specific document, Exhibit 10? I don't. Obviously I recall the charts that are 5 in it, because it's very similar to what's in 6 the final report. 8 Q This is another presentation relating to the 9 same 2004 survey that we have been reviewing, 10 correct? 11 Yes. We -- I mean -- that's one of the great A 12 things about our study, we use the numbers in a 13 lot of presentations, so it is just variances, 14 you have the slides, you have the initial 15 information, and just depending on the audience 16 there's variance of what it's presenting. 17 Because presenting 20, 30, 31 pages of slides to 18 a room full of student athletes doesn't always 19 go over very well. 20 (Deposition Exhibit 11 was marked for 21 identification.) 22 Q Ms. Baker, you have been handed a copy of a 23 document marked Exhibit 11. Do you recognize 24 this document? 25 I don't specifically recall this document. I

25 front end when we first conducted it, or if he

516-608-2400

Page 150 1 know that obviously Tom Paskus is listed on 2 here, as is Jeff Derevensky and Durand Jacobs, 3 who also provided outside assistance in reviewing the study. And those three individuals write -- my words -- several articles each time that we have one of these 6 studies. 8 Q So you don't recall this specific document, 9 Exhibit 11, but you recall there were articles 10 written about the 2004 survey, correct? A I know that all three of these guys are 11 12 researchers, and they love writing articles and 13 submitting them to journals, so yes. 14 O Do you recall any articles they wrote about the 15 2004 survey, other than this document, Exhibit 11? 16 17 A I would not be able to answer that question. 18 You don't recall any? 19 A I don't know of any. That doesn't mean there 20 aren't any. 21 Q Ms. Baker, do you know who Stephen Ellenbogen 22 is? 23 24 And I believe you said earlier that you do know 25 who Durand Jacobs is.

Page 152 was involved more in the back end, but he obviously was involved with this particular 3 article Can you turn with me, please, to the page with the number 2330 at the bottom. 6 Sure. Okay. And do you see the paragraph about halfway down that starts with, "It would be of considerable 8 q concern"? 10 Α Yes. 11 And do you see that the second sentence says, 1.2 "Typically only one to two percent of student 13 athletes reported breaking such rules," do you 14 see that sentence? 16 And do you see that that refers to the conduct 17 in the previous sentence about trying to 18 influence the outcome of a game or providing 19 pertinent information? 20 Yes, that's the sentence following that. 21 And then do you see that those results, one to 22 two percent reporting breaking such rules, are 23 consistent with previous studies? 24 MR. DREYER: Objection to the form of the 25 question. Are you asking if that's what the

Page 151

Page 153 document savs? Do you see the document says that, Ms. Baker? Q Α 4 0 Do you know of any previous studies that report percentages of student athletes violating such rules? A I know that our study was the first of its kind in terms of the number of student athletes that were surveyed. I've heard of the Cross and 10 Vollano study, because I believe that came out 11 of the University of Michigan. I don't know a 12 whole lot about it, but I believe that's where 13 it originated. Q Do you have a copy of that survey? 1.4 Not to my knowledge. I don't think I do, no. 15 Does Tom Paskus have a copy of that survey? 17 Α I don't know. 18 0 Do you know what the Cullen and Latessa survey 19 20 Α I do not. 21 Have you ever seen a copy of the Cross and 22 Vollano survey from Michigan? 23 I do not think I have seen the actual survey. Α 24 Do you recall seeing the results of the Cross 25 and Vollano survey with respect to student

VERITEXT REPORTING COMPANY
www.veritext.com 516-608-2400

Page 155 Do you know whether there is a version of the 1 2 2008 study similar to Exhibit 8 for the 2004 survey that includes narrative summaries? 4 There is not. 5 And do you know why there is not a similar version of the 2008 study? 7 My understanding is that due to the changes in APR in the last couple of years, and the increased focus and attention on some of the data related to graduation rates and academic 10 11 success, that we just haven't had the manpower from a research staff standpoint to put together 12 13 an executive summary. 14 But that information has all been laid out 15 in the PowerPoint presentation that was used for the rollout, it just isn't in a Word format. 16 17 18 Academic progress rate, academic performance 19 20 Q And so are you saying that the research group 21 was retasked to focusing on APR and other issues 22 that didn't have to do with sports gambling? 23 Graduation rates and academic success of our 24 student athletes, if you have been following 25 what's going on in college athletics, has been a VERITEXT REPORTING COMPANY

Page 154 athletes trying to influence the outcome of a 1 2 I don't recall. It wouldn't shock me that I have seen it at some point, but I don't recall 4 5 (Deposition Exhibit 12 was marked for identification.) Ms. Baker, you have been handed a copy of Exhibit 12. Do you recognize this document? A Yes. This looks like it is the comprehensive 10 11 PowerPoint presentation that was put together on 12 the 2008 study. 13 O So this is one of the other surveys that you were talking about earlier, correct? A Yes. This would be No. 2. 15 And you said that this is the comprehensive 16 17 summary of the 2008 survey; is this the most comprehensive summary that you are aware of on 18 19 the 2008 study? A With 80 slides, I am going to guess yes, this is 20 21 the most comprehensive. Because again, I am not 22 using an 80-slide PowerPoint presentation when 23 I'm talking to athletic teams and coaches. So 24 yes, I would believe, I would say this is the 25 most comprehensive one that we have.

Page 156 big deal in the last couple of years, so I know 2 a lot of that has been based on numbers of our student athletes, numbers of them graduating, broken down by sport, broken down by division, all of that. When was the last time you saw this document, 8 Outside of any conversations with counsel, I 9 could not tell you. 10 Did you review this document yesterday? 11 Yesterday. 12 Do you know who prepared the 2008 study 13 reflected here in Exhibit 12? 1.4 Who prepared these slides? 15 Who actually conducted the study. So let me just ask the question again to be clear. 16 17 Do you know who conducted the 2008 study that is reflected in this document, Exhibit 12? 18 19 It would be our research staff in conjunction 20 with any outside consultants that were retained. 21 Q And was there a person primarily responsible for 22 23 Yes. Tom Paskus and Todd Petr. 24 Todd Petr or Tom Petr? 25 Todd Petr.

212-267-6868

516-608-2400

212-267-6868

Page 157 MR. DREYER: P-E-T-R. 1 Was Dr. Derevensky involved in conducting the 3 2008 study? 4 A Yes. 5 O And Ms. Baker, were you involved in actually conducting this study reflected here in Exhibit 12? A Our staff has never been involved in the actual 9 conducting of the study, due to the strict 10 standards of the way it must be conducted. 11 Q And so if I wanted to understand the statistical 12 techniques that were used in this study, I would 13 need to ask the research staff, correct? 14 Yes, or review the slides that are in the 1.5 PowerPoint that I think actually go through some of the statistical analysis. 16 17 Q And if I wanted to understand the statistical methodology beyond what is reflected in these 18 19 slides, I would need to ask Tom Paskus or one of 20 the other researchers, correct? 21 A Correct. Q Can you turn with me, please, to the page with 23 the number 3716 in the bottom right-hand corner? 24 And do you see at the top of the page there's a 25 slide that refers to "Wagering Behaviors Among

212-267-6868

VERITEXT REPORTING COMPANY
8868 www.veritext.com

516-608-2400

Page 158

Page 159 question. You can answer. 3 Can you explain how that's wrong? It doesn't refer to 3.8 percent of all student athletes, it refers to 3.8 percent of male student athletes. Q Okay. Thank you for clarifying. So the 38 percent in this column refers to the number of male student athletes from the 2008 study who 9 10 reported gambling in a casino once per month, 11 Yes. 12 13 And there are no similar percentages listed for 14 2004, correct? 15 Correct. 16 Q And that's because gambling in the casino was 17 not one of the categories from 2004, correct? A I believe so, ves. 1.8 19 Now, this slide refers to all types of gambling, 20 not just sports gambling, correct? 21 A Yes, that is correct. There are other things 22 besides just sports gambling listed. 23 Q And the 3.8 percent that is listed for gambling 24 in the casino once per month would include both 25 sports and non-sports gambling, correct?

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Male Student Athletes"? 2 A I do. The percentages on wagering are generally higher with males than with females, correct? 4 5 A That is correct. O So we're going to focus on the male slide here for present purposes. Can you look with me, please, at the bottom row of the slide that refers to "Gambled in 10 Casino"? Do you see that? 11 Q And there's a column on the right side that 12 1.3 refers to the 2008 study and a column on the 14 left side that refers to the 2004 study, 15 correct? 16 A Correct. 17 Q Now, the column for the 2008 study for people 18 who gambled once per month says 3.8 percent, 19 20 A Yes. 21 Q And that means that 3.8 percent of student 22 athletes in this survey reported gambling in a

Page 160 A Can you clarify your question? I just want to make sure I understand. Sure. Let me try again. The 3.8 percent that is listed for 2008 gambling in a casino once per 4 5 month, do you see that? That 3.8 percent reflects gambling in a casino 8 whether sports or non-sports, correct? 9 I'm actually not sure about that. I'd have to 10 go back and look through all the study 11 questions. Q Okay. Nothing in this slide at least indicates it is limited to sports gambling, correct? 13 It just says "gambled in a casino." I'd have to 14 15 go back and look to see if, as part of the 16 question, if there was any additional separation 17 or distinction between the two. Q Do you have a copy of the questionnaire from the 18 19 2008 survey? 20 I don't know if I do or not. 21 Would you expect Tom Paskus to have one? 22 Yes, our research staff would. 23 Q And would you expect the research staff to have 24 the results on answers to all the questions that were given in the 2008 survey?

MR. DREYER: Object to the form of the

casino once per month, correct?

23

25

Page 161 Can you clarify your question? Do you mean do 2 they have individual results for every --Well, let's take a look at Exhibit 8. 3 0 Do you see at the very end, 2008, for example, 0 page 2857? Α 8 Q This is a comprehensive list of all the results 9 for all the questions, correct? 10 A It looks like it, Section 28, yes. 11 Q So my question is whether you would expect Tom Paskus or someone else in the research staff to 12 13 have a copy of a similar summary for the 2008 14 survey that lists the results for all the questions in the survey. 16 MR. DREYER: Objection to the form of the 17 question. 18 I don't know if they have it in this same 19 format, no. I know they are the keepers of the 20 results or the information. 21 Q So you would expect them to have the results for all their questions, whether in this format, 22 23 Exhibit 8, or some other format, correct? MR. DREYER: Same objection. 24 25 A Yes. I'd just -- I don't believe they actually

VERITEXT REPORTING COMPANY 212-267-6868 Www.veritext.com

516-608-2400

Page 163 all types of gambling, whether legal or illegal, correct? 3 All types of sports wagering. Thank you. So the 6.8 percent includes legal and illegal sports wagering, correct? 6 I believe so, ves. So you would agree that the percentage of 8 student athletes who are male who gamble legally 9 on sports in a casino would be something less 10 than 6.8 percent in 2008, right? 11 MR. DREYER: Object to the form of the 12 13 No, I would not agree with that. 14 Why not? 15 Because that's only Division 1. We have 400,000 16 student athletes overall. And so the Division 2 17 and Division 3 percentages are just as 18 19 O So specific to Division 1 males gambling once 20 per month in 2008, do you agree that the 21 percentage gambling legally in a casino on 22 sports would be less than 6.8 percent? 23 MR. DREYER: Object to the form of the 24 question. You can answer the question. 25 I don't know that I can, because there's no way

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 162
 1
         have student X's copy of the results. They just
 2
         have the cumulative results.
 3
     O Going back to Exhibit 12, if you could turn with
 4
         me, please, to the page with the number 3719 in
         the bottom right-hand corner.
    A Um-bub.
 6
        Do you see the slide at the bottom that refers
         to the percentage of male student athletes
 8
 9
         reporting that they wager on sports?
10
    A Yes.
11
              MR. DREYER: I'm sorry. Okay.
12
     O And looking at the frequency of once per month,
         do you see that the results for Division 1 in
13
14
         2004 were 6.6 percent, and the results in 2008
15
         were 6.8 percent?
    A I do.
16
17
     Q And these are the percentages specific to
18
         wagering on sports, correct?
        By division, so for Division 1, yes.
19
20
    Q And the 6.8 percent that's listed for 2008,
21
         Division 1, includes all types of sports
         wagering, whether legal or illegal, correct?
22
23
        Can you say that again, please?
24
        Sure. The 6.8 percent that is listed for 2008
25
         gambling once per month for Division 1 includes
```

```
Page 164
 1
         according to these numbers to distinguish which
 2
         is legal and what percentage is illegal if it is
         all lumped together.
     0
         The 6.8 percent includes both, correct?
         And at least on this, from these results, it's
         impossible to know what portion is legal and
         what portion is illegal, correct?
 9
         Based on this chart, ves.
10
         Can you turn with me, please, to the page with
11
         the number 3722 in the bottom right-hand corner.
12
         And do you see at the top there's a summary of
13
         findings on sports wagering?
         It looks like that's a continuation of
14
15
         something.
        It looks like the summary of findings starts on
17
         3719. Do you see that?
18
19
         And it looks like the format is that there are
20
         key findings, and then data afterwards that
21
         summarize those key findings, correct?
22
              MR. DREYER: Object to the form of the
23
         question. You can answer.
24
         Yes, it looks like the wording comes before the
25
         charts.
```

Page 165 So turning back to page 3722 with the summary of 2 findings 7 through 9, do you see that? 3 A Q Do you see that finding No. 8 says, "Whereas 5 male and female student athletes were most likely to bet with friends, many male student 6 athletes also placed bets through modalities 8 such as the internet and their cell phone, PDA." 9 Do you see that? 10 A I do. 11 Q So of the most popular methods for gambling 12 listed here in the summary of key findings, 13 casinos are not one of them, correct? 14 MR. DREYER: Objection, mischaracterizes 15 the document. You can answer. A I don't know that I understand the question. 16 17 Well, No. 8 is one of the key findings, correct? 18 19 O And No. 8 discusses the wavs that male and 20 female student athletes were most likely to 21 place bets, correct? 22 A To wager on sports, yes. 23 Right, the ways in which they were most likely 24 to wager on sports, correct? 25 A Yes.

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 167 placing sports bets in the 2008 study, correct? 2 Α Wager -- yes. 3 Q For people who wagered on sports at all during the past year, males, by far the most common method was to bet with friends, correct? That is the largest percentage. It's 92.7 percent, correct? Yes. 9 So it's the most common method by far, correct? 10 MR. DREYER: Objection to the form of the 11 question. The document speaks for itself. I 12 don't think there's any purpose in 13 characterizing it. But you can answer. 14 A I would say it's the highest percentage. 15 The next highest percentage is 22.3 percent, 16 correct? 17 Yes, betting by the internet, for males. 18 And the portion of males who reported betting in 19 a casino, sports book, or lotterv is 18.5 20 percent, correct? 21 MR. DREYER: Object to the form of the 22 guestion. 23 24 And of this 18.5 percent, do you know what 25 portion gambled legally on sports at a sports

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 166 Q And the ways that are listed in No. 8 include 2 betting with friends, internet, cell phone, and 3 PDA, but do not include casinos, correct? MR. DREYER: Same objection. I think you are mischaracterizing the words in the document. but you can answer. Well, I actually don't know that that is correct. Because if you continue turning the 9 page in the chart at the top of 3723, it does 10 include as part of the methods, betting with friends, betting with a student bookie, betting 11 12 with an off-campus bookie, betting by the 13 internet, betting by a telephone, cell phone, or betting at a casino, sports book, or lottery. 14 15 Q So let's turn to that page, then, 3723. At the top, is this a list of all the different ways 16 17 that students were asked about in the survey? 18 If you would give me just a second to see if there's questions included. It looks 19 20 comprehensive, but I don't know that it's all. 21 There's no questions in this. I can't say with 22 a hundred percent certainty that that's all of 23 the ways that we asked about. 24 Q And, but this slide at the top of 3723 25 summarizes the different methods used for

```
Page 168
         book in Nevada?
 3
        The 18.5 percent includes both persons who
         gambled legally at a sports book as well as
         persons who gambled by lottery, correct?
 6
        Those are the three mentioned, yes, casino,
         sports book, lottery.
 8
        Do you know why there's no category specific to
 9
         a legal sports book at a casino?
10
       I'm confused by your question, because this says
11
         casino, sports book, or lottery.
12
        Do you know why there's no category that is
13
         specific to a casino sports book, and does not
14
         include a lottery?
15
    A I do not.
    Q Someone could bet on sports through a lottery
17
        without betting on sports through a casino,
18
         correct?
19
              MR. DREYER: Object to the form of the
20
         question. You can answer.
21
        On a sports lottery? I'm not sure.
22
    O Let's turn to the page with 3727 in the bottom
23
         right-hand corner. Do you see there's a summary
24
        of findings on fantasy sports participation at
         the top of the page?
25
```

3

9

10

11

25

engage in it.

Page 169 A I do. 2 Q And that fantasy sports participation among student athletes is generally higher in 2008 than in 2004. Do you see that? A T do 6 Q And the primary fantasy sport of interest is the NFL, but a substantial number of student athletes reported participating in collegiate fantasy sports, correct? 10 A Yes. 11 O Now, was the increased participation in fantasy 12 sports by student athletes viewed as a concern 13 of the NCAA as a result of these survey results? 14 A I think all of the increases in gambling 15 behaviors were viewed as a concern, so as part 16 of that, yes. Q And participation in a fantasy football league 17 with an entry fee and prize money is considered 18 19 gambling by the NCAA, correct? 20 A Yes, that would be a violation of our rule. Q Looking down at the bottom of the page, there is 22 a slide that summarizes participation in fantasy 23 sports. Do you see that? Α 25 O And do you see that the percentage who -- of

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

that would directly impact their eligibility,

sports gambling equivalent in terms of the level

of concern, legal gambling in a casino and legal participation in a fantasy sports league?

and that would be of great concern.

O And in the NCAA's view, are the two types of

They are both violations of our rule if our

What steps has the NCAA taken to discourage

participation in fantasy sports leagues?

We have provided an inordinate amount of

student athletes or coaches or administrators

education on the topic. Obviously with 400,000

student athletes, it is impossible for us to

them. So we work very hard to educate our

at the Division 1, 2, and 3 level about

specifically what the NCAA rules are.

individually interact with every single one of

compliance folks that are on all of our campuses

Because as the research will continue to

show you, that does matter with whether or not

student athletes participate, they want to know

what the rules are, and they want to know what

the consequences are, and that can have an

impact on their decision.

516-608-2400

Page 171

```
Page 170
 1
         males -- who reported participating in a fantasy
         league with entry fee and prize money was 17
 2
         percent in 2008?
 4
    A Yes.
     Q And from the slide at the top of the page, is it
         fair to say that the largest portion of student
         athletes participating in fantasy sports were
         participating in an NFL fantasy football league?
    A That's actually on the slide, the next page, it
10
         breaks out the NFL.
11
    Q Thank you. The next page, 3728, reflects that
         64 percent of males reported participating in an
12
13
         NFL fantasy league in the past twelve months,
14
         correct?
15
    A Yes, that's what it says.
16
    O Is the NCAA equally concerned with student
         athletes' participation in fantasy sports
17
18
         leagues to its level of concern relating to
19
        legal sports betting at a sports book?
20
             MR. DREYER: Object to the form of the
21
         question. You can answer.
    A Because it is a violation of our rules if they
22
23
         are paving something to participate with the
24
         opportunity to win something in the end, then
         ves, we would be concerned about that because
25
```

```
Page 172
    Q Has the NCAA taken any steps to contact the NFL,
 2
         Major League Baseball, or other sports leagues
         that promote fantasy sports participation in
 4
         connection with this concern?
 5
        I don't know why that would be our issue. What
         they do as relates to their policies, we can't
         control or impact. We can only control what our
         policies are and what our student athletes,
         coaches and administrators have to abide by to
1.0
         participate.
11
        So you're not aware of anything the NCAA has
12
         done to contact the NFL or other pro sports
13
         leagues about their fantasy sports promotion?
14
             MR. DREYER: Objection to the form of the
15
         question. You can answer.
        I am not aware of that. I don't -- it would --
16
17
         that would be something that's completely under
18
         their purview. We're only concerned about our
19
         student athletes, our coaches and our athletic
20
         administrators, because that's where our
21
         jurisdiction is.
22
    Q If you could turn with me, please, to the slide
23
         with 3738 in the bottom right-hand corner. Do
24
         you see there are two slides on this page that
25
         refer to notes on analysis of low base rate
```

212-267-6868

Page 173 1 behaviors? 2 A Yes. 3 Q And let mow show you the previous page, 3737. Do you see that this section, Part 7, relates to behavior related to contest fairness? 6 A Yes. And so turning back to 3738, you understand that 8 these slides have to do with contest fairness 9 results? 10 A Yes, that's my understanding. 11 Q Looking at the bullet point at the top of the 12 page that starts with, "Any population estimate," do you see that? 13 14 A Yes. 15 O And do you see that bullet point says, "Any 16 population estimate for a question with an 17 extremely low base rate, e.g. only one to two 18 percent of student athletes endorsing, can 19 easily be incorrect by a large relative margin 20 due to the factors described above or to other 21 research statistical confounds." 22 Do you see that? A I do see that bullet. 23 24 And do you understand that that bullet is making 25 the point that results in the range of one to

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

Page 175 That's my perspective based on twelve years --2 or I'm sorry -- based on ten years of being in this field. As a non-statistician, correct? I am not a statistician. And reading this bullet point, do you understand that what the statisticians who prepared this --8 well, strike that. 9 Do you understand that this bullet point is 10 saying by the researchers who conducted this 11 report that one to two percent of student 12 athletes endorsing may not be statistically 13 significant? 14 MR. DREYER: Same objection. You can 15 I understand that's what the researchers are 16 17 saving from the statistical perspective. From 18 my perspective that's irrelevant. 19 And looking at the next bullet point, it says, 20 "Determining whether a rate is truly different 21 from zero or some other meaningful baseline, or 22 whether a change has occurred from 2004 to 2008. 23 should be assessed using appropriate tests of statistical significance." 25 Do you understand what that is saving?

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 174 1 two percent can easily be incorrect by a large 2 3 MR. DREYER: Objection, mischaracterizes 4 the document, speaks for itself, but you can answer the question. A I understand that that is a statistical analysis that is from our researchers about the significance of those numbers, and, yeah, it's a 8 9 statistical statement. Q And what this is saying, this bullet point, is 10 that as a statistical matter in the survey, 11 12 results of only one to two percent of student 13 athletes endorsing may not be statistically 14 significant, correct? 15 MR. DREYER: Same objection. A Well, with all due respect, I would disagree 16 17 that it is significant, as someone who deals on 18 a real life basis with these student athletes, 19 and has to sit across the table from them and 20 talk to them, interview them about sports 21 wagering involvement, so I would respectfully 22 disagree that that is not significant, because 23 to me it is very significant. 24 That is your perspective as a non-statistician, 0 25 correct?

```
Page 176
        Not completely.
         What do you understand from that bullet point?
 3
         It looks like they are trying to describe that
         if you're going -- it's hard to compare the
 5
         information from '04 to the information in '08,
         because -- my words -- it's comparing apples,
 6
         Granny Smith apples to gala apples. That's my
 8
         layman's understanding of it.
 9
        Can you turn with me, please, to the page with
10
         3741 in the bottom right-hand corner. And do
11
         you see at the top of the page there's a slide
         that refers to "Percentage of Division 1 men's
12
13
         basketball and football players reporting having
         been asked to influence the outcome of a game,"
14
15
         do you see that?
        I do.
    Q And I'll represent to you that there are no
17
18
         results in this report about the percentage of
19
         players asked to influence the outcome of a game
20
         in sports other than basketball and football.
21
22
        Is that a question?
23
        No. I'm representing to you. I just want to
24
         make sure you understand that.
25
              MR. DREYER: You have the document. But go
```

Page 177 1 ahead, ask your question. Do you know why that would be the case, that there would be no percentages given for sports 3 other than for basketball and football? A Because those are the two primary sports where we have had issues of point shaving historically or where players have been asked to influence the outcome of a game. g, Q Looking at the results for 2008, Division 1 10 men's basketball is 1.6 percent, and Division 1 11 football is 1.2 percent, correct? A Correct. 12 13 Q And it actually looks like that next row may be 14 the percent of all males outside of these two 15 sports who reported being asked to influence the 16 outcome of a game. Am I interpreting that 17 correctly? A I'm sorry, can you say that again? 18 19 Q Sure. The next row in the chart appears to be 2.0 referring to the percentage of males outside of 21 men's basketball Division 1 and men's football 22 Division 1 who reported being asked to influence 2.3 the outcome of a game. 24 25 Q And that's 1.1 percent, correct?

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

516-608-2400

I know that the survey results have not been finalized, ves. And are you aware of any preliminary results? 3 Very preliminary. It's, my understanding is that the data has not been completely reviewed. So it's not considered a final report or final analysis. I'm sorry. 8 Is it your understanding that the results for 9 the 2012 survey are so preliminary as to be 10 unreliable at this point? 11 MR. DREYER: Objection, mischaracterizes 12 the witness' testimony. 13 Yeah, I don't know how research defines what's 14 reliable and what's not. I just know it's not 15 final, and it's not something that we are in a position to be able to announce. Have you seen results from the 2012 survey 17 18 relating to this question that we have been 19 discussing here on page 3741, the percentage of 20 players having been asked to influence the 21 outcome of a game? 22 A I have seen some initial results. I cannot recall if that's actually one of them or not. 23 24 Have you seen preliminary results about the 25 percentage of student athletes who have actually VERITEXT REPORTING COMPANY

212-267-6868

www.veritext.com

516-608-2400

Page 179

```
Page 178
    A Yes -- mv -- veah.
        And I don't see any results in this survey that
         reflect what percentage in any sport was
         actually involved in influencing the outcome of
         a game as opposed to being asked.
              Do you see anything like that in here?
              MR. DREYER: The document speaks for
         itself, but you should answer.
    A No. It looks like the focus was on the increase
 9
10
         in our players being contacted to share inside
11
        information related to their team or actually
12
        providing inside information related to their
13
    Q Do you know why the 2008 survey results do not
14
15
        include a result for the percentage of athletes
         who influenced the outcome of a game?
              MR. DREYER: Objection to the form of the
17
18
         question. You can answer.
19
        I don't recall.
20
    Q Do you know whether it's because the percentages
21
        were so low as to be statistically
22
        insignificant?
23
    A I couldn't say. I don't know.
24
        Are you aware of the survey results relating to
        the 2012 survey?
25
```

```
Page 180
         reported influencing the outcome of a game?
        For the 2012 study?
        I can't remember if that was a part of it or
 4
 5
 6
        Have you seen a written document summarizing the
         preliminary results of the 2012 survey?
        I have not seen a written document summarizing
 9
         it, no.
10
    Q How have you learned about those preliminary
11
12
    A Through some initial slides that were drafted by
13
         our research staff -- again, which is some very
14
         initial numbers that were shared verbally with
15
    Q So you have seen some slides that reflect those
16
17
         results?
18
19
        Do you have those in your email?
20
              MR. DREYER: Object to the form of the
21
         question. You can answer.
22
    A I don't think I still have them, because usually
         those types of emails are very large and they
23
         take up a lot of space. So I don't think I
24
25
         still have that in my email.
```

Page 181 Q Do you recall who you got the email from? 1 Well, I don't even know if it came by email, frankly. Let me think about it. 4 Q Do you know who you got the preliminary results 5 6 A I know that Mark Strothkamp received some of the preliminary results from the research, and I was involved in an initial conversation with 9 research about some of the preliminary results. 10 Q Can you turn with me, please, to the page with 11 the number 3745 in the bottom right-hand corner. 12 Do you see at the bottom of the page there's a 13 question, "Have you received information on the 14 NCAA rules concerning gambling?" 15 A Yes. Q And the results are reflected in that chart, and 16 17 they include 76.9 percent for males in Division 18 1. correct? 19 Correct. 20 O Does the NCAA view these results as being 21 positive, negative, or neutral? 22 MR. DREYER: Object to the form of the 23 question. You can answer. 24 A In an ideal world that number would be a hundred 25 percent. And that's why we have an entire staff

212-267-6868

VERITEXT REPORTING COMPANY

516-608-2400

Page 183 participating in the 2008 survey whether they knew the rules regarding gambling? Yes, according to slide 71, we did. 3 You're talking about the slide at the top of 5 6 Yes. Sorry, I was looking at the wrong number. Slide 71, page 36, No. 00003746, it says, "Have you received information on the NCAA rules 9 concerning gambling?" 10 Q Okay. So that seems to be similar to the 11 question we were just looking at. I guess I was 12 wondering whether the same question was asked in 13 2008 that was asked in 2004, which is whether 14 the student athletes knew the rules regarding NCAA gambling. 15 16 A Well, if you look at No. 3744 with the summary 17 of findings on education and prevention, No. 5 states. "The student athletes generally believe 18 19 that the threat of NCAA penalties is a less 20 effective sports wagering deterrent than education." which would assume that they have 21 been, they have been educated and know the rule. 22 23 Q All right. But other than what's reflected in 24 here in these slides, you're not aware of . 25 student athletes being asked whether they knew

Page 182

that's partly dedicated to trying to develop

2 ways that we can continue to provide this

education to our student athletes, coaches and

4 administrators.

5 $\,$ Q $\,$ Were you personally happy with these results

6 from the 2008 survey?

A With which results?

m Q The results reflected in the slide at the bottom

9 of 3745.

11

10 A Well, again, in an ideal world that number would

be a hundred percent, and that's what we're

12 trying to do, is make sure we get the

13 information into the hands of as many student

14 athletes and coaches and administrators as

15 possible.

16 Q So you see these results and you think about the

17 room for improvement, correct?

18 A Yes.

19 $\,$ Q $\,$ Did the NCAA ask student athletes surveyed for

20 this 2008 survey whether they understood the

21 rules or knew the rules concerning gambling?

22 A I can't recall. I'd have to -- I can flip

23 through these slides and look.

24 Can you repeat your question?

25 Q Sure. Did the NCAA ask student athletes

212-267-6868

VERITEXT REPORTING COMPANY

the rules concerning gambling in the 2008

516-608-2400

Page 184

2 survey, correct? Not in the survey. 3 MR. DREYER: If you are going to move on to 4 another document, I could use a five-minute 5 MR. SIGLER: Sure. 8 (A recess was taken) 9 (Deposition Exhibit 13 was marked for 10 identification.) 11 MR. DREYER: We can start whenever you guys 12 are ready. 13 Q Ms. Baker, you have just been handed a copy of a 14 document marked Exhibit 13. Can you review this 15 and let me know whether you recognize it. 16 Okav. 17 Q Recognize it? A It looks like a typical sports wagering 18 presentation that we give. But I don't recall, 19 20 I don't recall it specifically. 21 Q Okay. And it appears at least from the last

presenter, correct?

page of the presentation that you were the

hundred percent certainty, because my name is

A Well, I don't think we can say that with a

22

23

24

25

Page 185 1 often listed on these presentations as the 2 O Have you given presentations to groups of 3 4 student athletes or staff at member institutions about sports wagering? A All the time, ves. 6 7 And sometimes do those presentations include data from the research group, like Tom Paskus, 8 9 from the surveys? 10 A Yes. 11 O And so even though you don't recall this 12 specific survey, would this be the type of 13 survey that you would give typically? 14 A You mean presentation? Yes. 15 Q And when you give a presentation about sports 16 wagering, do you typically get the data for that 17 presentation from Tom Paskus or someone else 18 from the data group? 19 A Well, it depends; if it's data I don't already 20 have access to, yes. 21 Q And when you get data from Tom Paskus or others 22 in the research group, do you generally have confidence that the data you get from them is 23 24 accurate? A Yes. 25

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 187 On It actually was developed before my time. Is there any part of the Don't Bet On It 3 Campaign that specifically focuses on match 4 fixing? 5 A Point shaving is part of the education that we provide, as evidenced in the presentations that we give around the basketball tournaments, as well as throughout the year. 9 Is the Don't Bet On It Campaign still going on, 10 or has it stopped? 11 Yes, it's alive. 12 And I'm sorry, you probably already said this, 13 but are you still in charge of it? 14 15 Q So looking at this slide, page 3931, it poses the question, "Why are the Don't Bet On It 16 17 educational initiatives not as effective as hoped?" 1.8 19 Do you see that? 20 I do. 21 Q And is it the NCAA's view that the Don't Bet On 22 It educational initiatives have not been 23 effective? 24 MR. DREYER: Objection to the form of the 25 question. You can answer.

212-267-6868

VERITEXT REPORTING COMPANY

516-608-2400

Page 188

O And you trust that if Tom includes something in

2 a presentation that you're going to give, or

- that someone else might give, that that data is
- 4 accurate, correct?
- 5 A Yes.
- Q If you could turn with me, please, to the page
- with the number 3931 at the bottom. This page
- discusses the Don't Bet On It Campaign, correct?
- Looks like it, yes. A
- 10 Q And what is the Don't Bet On It Campaign?
- A It incorporates a large array of educational
- 12 initiatives on the NCAA position on sports
- 13 wagering, the rules, the consequences.
- Q And who within the NCAA is primarily responsible 14
- for the Don't Bet On It Campaign? 15
- A Now? That would be myself and Mark Strothkamp
- 17 and Suzanne Brickell.
- 18 Q And in November of 2009, the period when this
- 19 email exchange occurred, were you also primarily
- 20 responsible for it?
- A That would be myself and the AGA staff, yes. 21
- 22 Q When did the Don't Bet On It Campaign start?
- A Well, we have -- it's a difficult question to 23
- 24 answer, because we've provided sports wagering
- 25 education for many years. The slogan Don't Bet

Page 186

- A It's my view, in looking at this presentation,
 - that because we were talking to student
 - athletes, we were trying to elicit some
 - discussion to try and brainstorm additional ways
 - where we might be able to more tailor our
 - education. And that's something that we've done
 - in multiple presentations with our student
 - athletes, to try and ask thought-provoking
 - questions, to get additional ideas on ways and
 - 10 avenues that we can provide education.
 - 11 Q Okay. So on, just to be clear, is it the NCAA's
 - 12 view that the Don't Bet On It educational
 - 13 initiatives are not as effective as hoped?
 - 14 No. It would be that we are trying to find
 - 15 additional ways to be even more effective.
 - 16 Q Okay. Ms. Baker, this presentation that you 17
 - have reviewed incorporates data from the 2008
 - 18 NCAA study, correct?
 - 19 Yes, it looks like that, yes.
 - 20 And that's the same 2008 study that we were just
 - 21 looking at, Exhibit 12, correct?
 - 22 A Yes, î would -- that all ties in.
 - 23 (Deposition Exhibit 14 was marked for
 - 24 identification.)
 - 25 Q Ms. Baker, you have been handed a copy of a

Page 189 document marked Exhibit 14. Can you please 2 review this document, and tell me whether you 3 recognize it. A It looks like a presentation that would have been presented by Tom and Jeff on the 2008 5 sports wagering study. 6 And that's the same 2008 survey we were just 8 discussing, correct? 9 A There's only one, so it would have to be. 10 Q And Tom and Jeff are Tom Paskus and Jeffrey 1.1 Derevensky? 12 13 Q And do you have any specific recollection of 14 this study, or are you speculating that it's a 15 presentation by them based on what you see here? 16 MR. DREYER: Objection to the form of the 17 question. You can answer. 18 I know that Jeff and Tom do presentations on this all the time, and there's various forms and 19 20 audiences which they present the information to, 21 so I don't know which one this was specifically 22 for. 23 Q What types of audiences do they give their 24 presentations to, to your knowledge? 25 A All types.

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

I don't know where these statistics would have 3 come from. Looking at the first -- well, strike that. You would expect that these are statistics put in this presentation by Dr. Paskus and 6 Dr. Derevensky, correct? MR. DREYER: Object as to foundation. You a can answer. 10 A Yeah, I don't know who put these statistics in 11 there. I know they are part of their overall 12 presentation, but I don't know where they pulled 13 them from. 14 Q Looking at the first bullet point on 3053, 15 "Approximately 2.57 billion dollars was gambled 16 in 2008 in Nevada's legal sports book." Do you see that? 17 18 19 Do you know the source for that figure? 20 I do not. 21 Have you seen that figure before? A 2.57 billion? No, not that -- not that I can 22 23 specifically recall. 24 Have you ever seen a different figure for 25 gambling in Nevada's legal sports book? VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400 www.veritext.com

Page 191

```
Page 190
     Q Can you give some examples?
         Faculty, athletics reps, athletic
         administrators, people in the gambling research,
 3
         or just research field.
    Q And you mentioned earlier that you have
         confidence in the data that Dr. Paskus provides
         to you for your own presentations, correct?
 8
    Α
 9
    O And you would also have confidence in the data
10
         that he puts in his own presentations, correct?
    A Yes. I would hope that it's the same.
11
12
     Q Can you turn with me, please, to the page with
         the Bates number 3053 in the bottom right-hand
1.3
1.4
         corner.
    A I was there.
15
16
    Q And do you see that this page includes
17
         statistics?
19
    O And it looks like the statistics continue on to
20
         the next page, 3054. Do you see that?
21
    A I do.
22
    O And these are statistics regarding the amount of
23
         gambling in the United States, correct?
             MR. DREYER: Object to the form of the
24
25
         question, and lack of foundation, but you can
```

```
Page 192
    A As we talked about earlier, there's all kinds of
        different figures that have floated around.
 3
    O And do you have a specific recollection of a
         figure other than this 2.57 billion dollars that
         you have heard about gambling in Nevada's sports
         book?
 8
        Looking at the next bullet point, "An estimated
 9
         380 billion dollars is bet through offshore
10
         books or bookies each year." Do you see that?
11
    А
12
        Have you seen that figure before?
13
        Not that specific one, no.
14
        Have you seen a number that's more general?
15
             MR. DREYER: Object to the form of the
16
17
        I'm sure I've seen numbers, but I wouldn't be
18
         able to begin to put an actual -- or tell you
19
         what those have been.
20
    Q Okay. So you don't have a recollection of
21
         another specific number other than this 380
22
        billion dollars, correct?
23
             MR. DREYER: Object to the form of the
         question. You can answer.
2.4
25
    A I know that there's a lot of different numbers
```

Page 193 1 out there. I believe the FBI uses numbers. I 2 wouldn't even want to guess. But I don't think 3 they are either one of these. And there are all kinds of variances on what that number is, and it's, I think, almost impossible to be able to determine that. Q And do you know what the source for this number is, 380 billion dollars? 9 I do not. A 10 Q Are you familiar with any of the statistics 11 listed on this page 3053? A No, I don't know where they pulled these from. 12 13 And turning to 3054, the next page, are you 14 familiar with any of these statistics? A I am not. 15 16 O And you don't have any basis to question the 17 statistics listed on 3053 or 3054, correct? 18 MR. DREYER: Objection, foundation. You 19 20 A Well, I don't know where they're coming from. I 21 know that we did not collect them ourselves. So 22 I don't know what they're using as the basis for 23 those, or who was using those, whether that's 24 Tom or Jeff or both. 25 Q And when you say "We did not collect them," what

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 195 A Yes, it appears to incorporate that, as well as Comparisons to the NCAA's 2004 survey, correct? 4 (Deposition Exhibit 15 was marked for identification.) Q Ms. Baker, you have been handed a document marked Exhibit 15. Can you take a look at this 9 document, and tell me whether you recognize it. 10 A It appears that it was the presentation that was 11 provided at the 2010 NCAA convention announcing 12 the results of the 2008 study. 13 Were you present at that convention? 14 I was nine months pregnant, so I was not present 15 at that convention. O And do you know whether -- strike that. 17 Do you know who the presenter was for this 18 presentation at the January 2010 convention? 19 I believe Tom Paskus was involved in the 20 presentation. There may have been someone from 21 my staff there as well, but I don't recall. 22 Q This document, Exhibit 15, summarizes results 23 from the same 2008 NCAA survey that we have been 24 discussing, correct? A I'm assuming so, because there was only one '08

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 194
         do you mean by that?
 2
    A The NCAA.
         Well, Tom Paskus is part of the NCAA, correct?
 4
    A
        Correct.
 5
     Q So do you mean that they don't come from the
         2008 NCAA survey?
             MR. DREYER: Object to the form of the
         question. You can answer.
        I mean that I don't know, since both of them
10
        presented this presentation, and I was not
11
        involved in the development of this
        presentation, these could be slides that Jeff
12
13
        created and presented, for all I know, that Tom
        would have nothing to do with or involvement in.
15
        So I can't say for certain.
    Q Okay. And if Jeff Derevensky had created these
16
17
        slides, would you have any reason to question
        their accuracy or validity?
18
             MR. DREYER: Same objection. You can
19
20
        answer.
21
        I don't know where he's pulling them from. So
22
        that would be nice to know.
23
    O This presentation, like the previous one that we
        just looked at, incorporates data from the
24
25
        NCAA's 2008 survey, correct?
```

```
Page 196
 1
         studv.
    Q Well, take a look and make sure you agree with
        Yes, it's the results of the 2008 study.
        And it also contains results from the 2004 NCAA
         study, correct?
 7
    A Yes.
 8
              (Deposition Exhibit 16 was marked for
 9
10
    Q Ms. Baker, you have been handed a copy of a
11
         document marked Exhibit 16. Please take a look
12
        at this document, and tell me whether you
13
         recognize it.
14
15
        Do you recognize this document?
    0
16
        T do.
    O What is this?
    A It looks like the formal press release related
18
19
         to the results from the 2008 study.
20
        This was a press release issued by the NCAA
21
         about the same 2008 survey of student athlete
22
        gambling activities that we have been
23
        discussing, correct?
24
    Q And the headline of the study is "Sports
```

Page 197 1 Wagering Study Shows Progress in Education." Do 2 you see that? 3 A I do. 4 Q Do you agree with that statement? Yeah. I think the results did show that in the areas where we had drilled down and focused particularly with our Division 1 basketball and 7 football student athletes, that there was 8 9 increased awareness 10 Q And the first sentence in the article says, "An 11 NCAA study released today indicates progress in 12 educating student athletes on dangers of sports 13 wagering, but also points to areas where 14 additional efforts are needed." 15 Do you see that? 16 A I do. 17 0 You agree with that statement? 18 Α 19 And then two-thirds of the way down the page 20 there is a quote from, from you, it looks like. 21 Do you see where it says, "We are encouraged the 22 research provides a positive indicator that our 23 efforts to date have been impactful, and we also 24 will use the findings as guidance for additional 25 educational endeavors."

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

tried to drill down, that it did make a 2 difference, yes. 3 Q And those efforts were men's basketball and men's football, correct? MR. DREYER: Object to the form of the question. You can answer. 6 I would also say women's basketball, as well as, there's a multitude of educational initiatives 8 Q. that we've undertaken even in Division 1 in the 10 form of newsletters, in the form of in-services, 11 in-person presentations, videos, brochures. 12 There were a variety of ways that we tried to 13 provide that education for that population, 14 posters. 15 Q And the areas of focus for your education efforts between the '04 study and '08 study 16 17 included Division 1 men's basketball and 18 Division 1 men's football, correct? 19 Yes, those were two sports included. 20 Q And those were two areas that you found those 21 education efforts to be impactful, correct? 22 (Deposition Exhibit 17 was marked for 2.3 24 identification.) 25 Q Ms. Baker, you have been handed a document VERITEXT REPORTING COMPANY

Page 198

1 Do you see that?

I do.

Is that an accurate quote --0

Α

-- that you gave in connection with this press

release?

A

And in what way did you find that the 2008

9 survey showed that the NCAA's efforts with

10 respect to education of student athletes were

11 impactful?

12 A Particularly Division 1 student athletes who

13 were the target of some of our most intensive

14 educational efforts, they were more likely to

15 report familiarity with the NCAA rules than what

was reported in 2004, and approximately 90

17 percent of the men and 95 percent of the women

across all divisions had received some type of

19 educational NCAA messaging.

20 Q Do the 2008 NCAA survey results show that

21 education efforts by the NCAA can be effective

22 in reducing the levels of student athlete

23 gambling?

I think the 2008 study showed that we have a lot

of work to do, but in the areas where we had

212-267-6868

2

12

www.veritext.com

516-608-2400

Page 200

Page 199

marked Exhibit 17. Please review it and tell me 1

Yes, I'm aware of this. I recognize it.

whether you recognize it.

4 And what is this?

This is some back and forth between myself, Tom, 5

Stacey, and Jeff Derevensky, specifically

related to a Harvard Medical School article in

The WAGER.

9 What's The WAGER?

1.0 A newsletter that the medical school produces

11 specific to gambling issues and other -- I'm

sorry -- I believe there's other addictive

13 behaviors included in it as well.

Who is Erica Marshall? 14

15 I don't know Erica personally. I believe she

16 was the point person communicating with our

17 research staff on the article.

18 So she was the point person from the Division of

19 Addictions at Harvard Medical School?

20 According to the email exchanges and the

21 signature underneath her name, yes.

22 Q Did the NCAA ask the Harvard Medical School to

23 look at the NCAA's 2008 survey?

I don't believe we asked them to do this, no.

25 And the article that's being discussed here in

18

25

Page 201 1 The WAGER concerns the results of the 2008 NCAA 2 3 A I think it also had some references to 2004, but 4 yes, it was about the studies. O And the two studies that are primarily being discussed in this article in The WAGER are the 2004 and 2008 NCAA surveys that we've discussed today, correct? 9 A Yes. 10 Q And do you understand -- well, let's turn to 11 page 3634. Do you see the email from Erica 12 Marshall at the bottom there? 13 14 Q And do you see in the middle of her email she 15 says, "We did come to a conclusion which is less 16 positive than the press release issued by the 17 NCAA in November," do you see that? 18 19 Q And what do you understand her to be saying 20 there? 21 A Well, I don't know that I understand her to be 22 saying anything, other than the article that 23 they wrote, they view it as less positive. The 24 article itself speaks for itself related to 25 their position on the study and the comparison

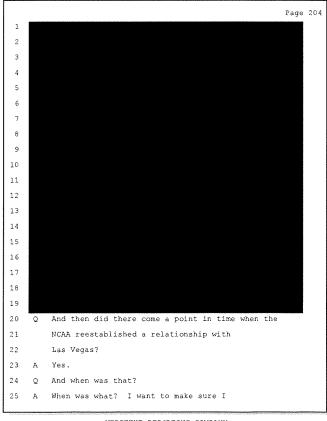

VERITEXT REPORTING COMPANY 212-267-6868

516-608-2400

VERITEXT REPORTING COMPANY 212-267-6868

516-608-2400

Page 202 and contrast to how we viewed the study. 2 Q The people at Harvard Medical School viewed the 2008 survey results as less positive than the 4 NCAA did; is that what she's saying? 5 A I don't think that the Harvard Medical School had the full context so that they were able to write an accurate study related to what all we were doing from both an educational standpoint and some of our other efforts, because they are 10 not directly involved in the implementation of 11 Q I'll ask you in a minute whether you agree with 12 13 their conclusion or not, but let me just first 14 understand, just to be clear, you understand 15 what Ms. Marshall is saying in her email is that 16 the Harvard Medical School came to a less 17 positive conclusion than the NCAA did in looking at the NCAA's 2008 survey, correct? 18 19 MR. DREYER: Object to the form of the 20 question. You can answer. 21 A I understand that was the sentence in her Monday 22 February 22nd email, yes. 23 Q And when you saw this email and the attachment 24 to it, did you agree with the Harvard Medical 25 School's conclusions about the 2008 survey?

Page 205 1 understand. Q The reestablishment of the relationship with 4 A Following the sports wagering task force. 5 Q And can you place that in a time frame? A It would have been primarily 2000 -- maybe late 2004, 2005, when it began. Q And I believe you said earlier that you were the NCAA representative who reestablished that 10 relationship with Las Vegas. Did I have that 11 12 A I was the director that was primarily 13 responsible for that, yes. 14 Were you the person who had the communications 15 with Las Vegas? 16 MR. DREYER: Objection to the form of the 17 question. You can answer. 1.8 A Yes. 19 Q And in terms of reestablishing a relationship 20 with Las Vegas, does that refer to gambling 21 operators in Las Vegas? 22 MR. DREYER: Objection to the form of the 23 question. You can answer. A That's one, yes. Does it refer also to law enforcement entities

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

-267-6868 www.veritext.com 516-608-2400

```
Page 207
         Topic 6 of the 30(b)(6) includes support or
 1
 2
         cooperation by sports gambling companies, or
         states that regulate these companies, with
 4
         respect to your policies and practices regarding
 5
         sports gambling, including any assistance by
         these companies, in your efforts to identify
         potential violations of these policies.
 8
              We objected to that as a 30(b)(6) category.
         The magistrate sustained that objection. It's
1.0
         not in the re-noticed deposition. So I'm
11
         instructing the witness not to answer consistent
12
         with the court's ruling.
1.3
              MR. SIGLER: All right. Well, let's be
14
         clear about this.
15
        What parts of Las Vegas, Ms. Baker, did the NCAA
16
         reestablish a relationship with in the 2004/2005
17
         time frame in connection with its efforts to
18
         alleviate gambling by student athletes?
19
              MR. DREYER: Same objection. It's clearly
20
         within the topic that the magistrate sustained
21
         an objection to.
22
             MR. SIGLER: Are you instructing the
23
         witness not to answer?
24
             MR. DREYER: Yes.
25
              MR. SIGLER: And are you going to follow
```

VERITEXT REPORTING COMPANY
212-267-6868 www.veritext.com

```
Page 206
         in Las Vegas?
 2
    A Yes, although I don't think I would ever
 3
         characterize our relationship with those folks
 4
 5
     O So what were the parts of Las Vegas that the
         NCAA reestablished a relationship with in the
         2004 time frame?
              MR DREYER: We've covered this. We're
 8
 9
         well into something that the magistrate has
         ruled is not appropriate to 30(b)(6). So we're
10
11
         going to move on. I'm instructing the witness
12
         not to answer. You're just asking the same
13
         question we've already covered.
14
              MR. SIGLER: I'm not asking the same
15
         question. This is a new question. This relates
16
         to a document that discusses one of the surveys
17
         that she said she's relying on. So I think I'm
         perfectly entitled to ask this question.
1.8
19
              I would ask the court reporter to read it
20
         back, and if you're going to instruct her not to
21
         answer, then we can take it up with the
22
         magistrate or we can reopen the deposition
23
24
              MR. DREYER: We've already taken it up with
         the magistrate, just so the record is complete.
```

```
Page 208
 1
         counsel's instruction?
 2
              THE WITNESS: Yes.
 3
              MR. SIGLER: Anthony, can I see that copy
         of the old notice, please?
              MR. DREYER: It's got some attorney notes
         on the back. Let me see if I have something
         that's clear.
              MR. SIGLER: You know what, I've got a
 9
         different question. We'll deal with that on a
10
11
     Q Ms. Baker, does the NCAA have any policies
12
         relating to interactions with Las Vegas gambling
13
         operators?
14
              MR. DREYER: Just answer yes or no.
15
16
     Q Does the NCAA have any practices that relate to
17
         interacting with gambling operators in Las Vegas
18
         concerning sports gambling?
19
              MR. DREYER: You can answer yes or no.
20
21
        What are those practices?
22
              MR. DREYER: Geoff, we're still within 6.
23
         6 is a very specific issue.
24
              MR. SIGLER: I don't have the old notice.
25
         What I have is the new notice. I'm looking at
```

212-267-6868

Page 209 topic 4. It says your policies and practices 2 regarding sports gambling that apply to you, your member institutions, athletes 3 representatives or other participants in your sporting events. The guestion I just asked is about a practice regarding sports gambling. MR. DREYER: Right. There was a specific question that I read into the record that dealt 9 with the very issue twice, three times you tried 10 to get into. The magistrate has ruled on this. 11 And I don't know why you think it is appropriate 12 to defy the court's ruling, but you have our objections. 13 14 Q Ms. Baker, what are those practices? MR. DREYER: Same objection. 16 MR. SIGLER: Are you instructing her not to 17 answer? 18 MR. DREYER: Yes. 19 MR. SIGLER: Are you going to follow that 20 instruction? 21 THE WITNESS: Yes. 22 MR. SIGLER: So just to be clear, Anthony, 23 you are blocking all testimony by the witness 24 that relates to the NCAA's cooperation with 25 Las Vegas legal sports gambling operators in

VERITEXT REPORTING COMPANY

212-267-6868

516-608-2400 www.veritext.com

Page 211 2 Is there a reason why the results weren't shared with the other attendees? 4 What's that reason? 0 They aren't final yet. The 2012 results aren't final vet? That is correct. 9 Q And you are referring to the NCAA's 2012 survey 10 of student athlete gambling activities? 11 A 12 Are any of those results reflected in this 13 14 Are any of what results? 15 The preliminary results from the 2012 survey? 16 I do not know. Oh, yeah, that's right, I don't believe they were because of the fact they 17 18 weren't final. So this was results from the 19 previous two surveys. 20 Q Does that change your recollection of whether this was shared with the attendees at the 21 22 summit? 23 For some reason I still don't think it was, but I may have that wrong. 25 Q And the presenter, you said, was Mark

VERITEXT REPORTING COMPANY

www.veritext.com

516-608-2400

Page 210 1 connection with its efforts? MR. DREYER: I think the magistrate has ruled that all of that testimony is foreclosed. So consistent with the magistrate's ruling in this case. I'm instructing the witness not to answer. (Deposition Exhibit 18 was marked for identification.) 8 9 Q Ms. Baker, you have been handed a document 10 marked Exhibit 18. I'd like you to take a look at it and tell me whether you recognize it. 11 12 A Yes. 13 What is this document? A I believe it was an outline for the presentation 14 15 that Mark Strothkamp gave at the Pro League Sports Wagering Summit, and it was not 16 17 distributed for, to my knowledge, it was not distributed to the attendees, or even used on a PowerPoint projector. It was simply to guide 19 20 him in his verbal presentation. 21 Q So he was the only one who looked at it during 22 his presentation? 23 Yeah. I did not present with him. I don't know if he was on a panel with other people. I can't 24 25 recall. But he was the primary presenter of

Page 212 1 Strothkamp? Strothkamp, yes. 3 And he reports to you, correct? What was the Professional League Sports Wagering 6 Summit? It was a summit hosted by the professional 8 leagues. 9 What was the purpose of that summit? 10 My understanding was to bring the various 11 professional leagues together to talk about 12 issues related to sports wagering, inclusive of 13 14 Did you attend the summit? 15 A I did. Did you give any presentations? I did. 17 18 What did you give a presentation on? 19 I talked about, in conjunction with our PR 20 representative, it was a crisis 101, how to 21 deal, or what to do in situations where a sports 22 wagering issue has come to light. 23 O Were any litigation counsel present at the summit, to your knowledge? 24 25 MR. DREYER: Objection to the form of the

516-608-2400

212-267-6868

Page 213 2 Not to my knowledge. Α 3 Q Mr. Drever wasn't there? O Was there discussion about the lawsuit against New Jersey state officials at the summit? Not to my knowledge, no. 8 0 Were there representatives from any Nevada q gambling operators at the summit? 10 A Gambling operators? 11 O Were there representatives from any casinos? 12 Let me think -- I can't recall -- none from the 13 casinos, that I can remember specifically. 14 Q Do you recall anyone being there from the MGM 15 Mirage? A Yes. I'm getting two of them confused because 16 17 we also host our own in-service, and I know that we had casino representatives at our own 19 in-service. So I can't remember if Robert was 20 there at the pro league or not, unfortunately. Q Robert Walker? 22 A No. What is the guy's name? Jay, Jay Rood. 23 Q Jay Rood? 24 Jay Rood runs the sports book. At one point an 25 administrator, an executive was supposed to have

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

Page 215 Did that take place in September 2012? Did what take place? 3 The in-service? The NCAA in-service? That took place in October. 6 Did you give any presentations at the NCAA I don't -- I actually think this year I did not. 8 9 Q Do you recall a presentation by Jay Rood at the NCAA in-service or at the Professional League 10 11 Sports Wagering Summit? 12 A I'm sure if Jay was there he would have, we 13 would have asked him to speak, but I don't 14 recall his presentation specifically, no. 15 Q Other than you and your direct report, Mark 16 Strothkamp --17 A Strothkamp. 18 -- was anyone else from the NCAA present at the 19 Professional League Sports Wagering Summit? 20 Α 21 Who else? 22 Suzanne Brickell. 23 Q Anyone else? 24 Stacey Osborne. 25 Q Keep going.

Page 214

attended from the MGM Mirage, but I can't

2 remember if they were or not.

1

3 O Are we talking about your in-service event or

4 talking about the sports summit?

MR. DREYER: Let him finish the question so

the court reporter can get it down.

A I'm getting the two confused, because they

8 happened in a very short time period, and there

were a lot of people. So absent a specific 9

10 roster in front of me, I don't know that I'm

going to be able to distinguish them for you. 11

Q Do you recall Jay Rood being present at either 12

13 the Sports Gambling Summit at which this

14 presentation, Exhibit 18, was given, or at the

15 in-service event that you mentioned?

16 A I know Jay was at one of them, I just can't

17 remember which one he went to.

18 What is the in-service event?

19 It is an annual event that we host. Α

20 Q And is it called the in-service?

21 A Sports wagering in-service, yes.

22 O What does the in-service part of that mean?

23 It is just the way we categorize the meeting

24 because we want it to be a discussion, not a

25 presentation or a conference.

VERITEXT REPORTING COMPANY

VERITEXT REPORTING COMPANY

www.veritext.com

Page 216

516-608-2400

A Emily Potter, Naima Stevenson, Donald Remy,

2 Alecia Lewis and Abe Frank.

Were there presentations given by the

professional sports leagues at the Sports

5 Wagering Summit?

A

0 Do you recall any of those presentations?

There were several.

9 Who presented from the NFL?

10 MR. DREYER: Objection, lack of foundation.

other professional sports leagues? 16

17 Yes.

18 Who else presented?

19 Dan Mullen, Kevin Cepalek.

20 THE REPORTER: Spell that one for me.

21 THE WITNESS: C-E-P-A-L-E-K.

22 Q And what leagues are they from?

Major League Baseball. 23

Okav. Who else?

25 A Those are all the ones that I can remember.

Page 217 Q Did anyone give a presentation on the impact or 2 potential impact of New Jersey's legalization of sports gambling on any of the leagues? 4 A Not that I can recall. 5 Q Can you turn with me, please, back to Exhibit 18, the page that has 2316 in the bottom right-hand corner. 8 Do you see the slide in the middle of the 9 page that says, "Trends in Sports Wagering Cases"? 10 11 A I do. 12 Q And the next two slides, the one at the bottom 13 of 2316 and then the one on 2317, seem to relate 14 to the trends in sports wagering cases. Is that 15 right? 16 A No, that's not correct. Q Okay. The slide at the bottom of 2316 relates 18 to trends, correct? 19 A Yes. 20 O And do you know the basis for this slide at the 21 bottom of 2316? 22 MR. DREYER: Objection to the form of the 23 24 A I do not, because I did not put this 25 presentation together.

212-267-6868

212-267-6868

VERITEXT REPORTING COMPANY

516-608-2400

Page 219 one also did not involve sports gambling at a sports book or casino, correct? O And the third example from University of Nebraska at Lincoln refers to a student bookmaker. Do you see that? So this one also did not involve a casino or 8 other illegal sports book, correct? 10 A Correct. These were only the major infractions 11 cases, and do not account for the total number 12 of cases that have been processed by the staff. 13 Q Do you know who put this slide together on 14 "Sports Wagering Major Infractions Cases"? 15 I do not know for certain, no. 16 Q Do you know what time period this slide is 17 18 MR. DREYER: Objection to the form of the 19 question. 20 21 (Deposition Exhibit 19 was marked for 22 identification.) 23 Q Ms. Baker, you have been handed a document 24 marked Exhibit 19. Do you recognize this 25 document?

212-267-6868

VERITEXT REPORTING COMPANY

516-608-2400

```
Page 218
     Q Do you agree with the trends listed at the
 2
        bottom of 2316?
    A I agree that based on the cases that our staff
 4
         has been involved in, that those have been some
 5
         recurring themes, yes.
     Q Turning on to 2317, do you see the list at the
         top of "Sports Wagering Major Infractions
         Cases"?
    A Yes, I see that.
 9
    Q And the print is somewhat small. This is the

        only copy that we got. But the first example
12
        appears to be from University of Missouri,
13
        correct?
    A Missouri St. Louis.
14
15
    Q Missouri St. Louis. And it involved a fantasy
16
        league. Do you see that?
17
    A Involved a head coach who actually owned and
        operated a fantasy league.
18
    Q Okay. So it did not involve gambling at a
19
        casino or other legal sports book, correct?
20
21
    A Not that I can recall.
22
    Q And the next example is from University of
23
        Washington. Is that the Neuheisel example?

24
        And it refers to March Madness pools. So this
```

Page 220 A It appears that it is a copy of the survey questions from the 2012 study. Have you seen this document before today? I'm sure I have. I don't recall it. I'm 5 somewhat a little more removed. Do you know when the survey relating to the 2012 study went out to the member institutions? I don't remember the specific date, no. 9 Approximately, do you remember when? 10 I do not. 11 Q Do you remember whether it was over the summer 12 or more recently in the fall? 13 I don't remember. 1.4 Okay. Do you know what the current status of 15 the 2012 study is? 16 Yes. 17 O What is the current status? 18 Our research staff is trying to finalize the results. 19 20 So the surveys, completed questionnaires have 21 been submitted at this point to the NCAA? 22 A That's my understanding, yes. Q And the research team is --24 A let me clarify. I don't believe the responses are sent directly to the NCAA. I believe 25

Page 221 they're sent to, in order to continue to protect 1 2 the anonymity, my understanding how it works is 3 the responses are sent somewhere else and then we gather the information. Q Okay. So the completed questionnaires have been submitted to whoever collects those, and the results are being analyzed by the NCAA research team? 8 9 A Correct. 10 (Deposition Exhibit 20 was marked for 11 identification.) 12 Q Ms. Baker, you have just been handed a copy of a 13 document marked as Exhibit 20. Please take a look at this document, and tell me whether you 14 1.5 recognize it. 16 A I do. O And so what is this document? 17 18 A This is an email exchange from Mark Strothkamp 19 to representatives at California institutions. 20 Q And you're referring to the bottom email in the 21 chain dated May 4, 2012, at 10:01 a.m.? 212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

516-608-2400

Page 223 time frame? The May 2012 time frame. Were you involved in preparing the email that 3 4 went out on May 4th, 2012? I don't remember drafting it. I may have looked at it before it went out, but I don't know. 6 You recall orally discussing the email with Mark Strothkamp before it went out? 9 10 What message was Mr. Strothkamp trying to convey in this email to the athletic directors? 11 12 MR. DREYER: Objection, foundation. You 13 Well, I'm not sure it is only to athletic 14 15 directors. There may be other people on there 16 that are not strictly ADs. I don't know that 17 for sure. There are ADs on here. 18 So what message was he trying to convey in his 19 email dated May 4, 2012? What the NCAA championship policy was, what is 20 21 currently going on in the state for those 22 institutions that may not be tracking on the 23 legislative process; the NCAA position on sports 24 wagering; and specific information related to our research studies. 25

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 222
         email from Mark Strothkamp forwarding the
 1
 2
         earlier email to Julie Roe, copying you again,
         correct?
 3
 4
    Α
 5
        And that email is dated September 5th of 2012,
         correct?
    Δ
 8
        So focusing on the bottom email in the chain
 9
         dated May 24, 2012, what prompted this email
1.0
         from Mark Strothkamp to the California athletic
11
12
             MR. DREYER: Objection as to foundation.
13
         You can answer.
    A My understanding is that Mark had been contacted
14
15
         by several institutions in the state of
         California that were looking for information
         related to not only the NCAA championships
17
18
         policy, but specific information as to the NCAA
19
         position on sports wagering and survey data.
    Q Where did you get that understanding?
20
21
        From Mark.
22
        So you discussed this email exchange with him?
    Q
23
    Α
24
         Did you discuss it in the May 2012 time frame or
25
         in the September 2012 time frame, or some other
```

```
Page 224
        Did you understand from your discussions with
 2
         Mr. Strothkamp that some California institutions
 3
         were concerned about the possibility that
         championships would be removed from California
 4
         because of the passage of SB 1390?
         And is this email an effort to alleviate those
         concerns?
 9
         I would not characterize this email as an effort
1.0
         to alleviate. I would characterize this email
11
         as an effort to educate on the four things that
12
         I outlined previously.
13
     Q If you go to the bottom of the page, 4035, you
14
         see the sentence that says, "It is important to
15
         note that the sports wagering championships
16
         policy only applies to states that are actively
1.7
         taking single game sports bets." Do you see
1.8
         that?
19
20
    O And then do you see the next sentence, "While
21
         the California legislature may pass SB 1390
22
         authorizing sports wagering, federal law, PASPA,
         would prohibit California gaming establishments
23
24
         from actively taking sports bets."
25
              Do you see that?
```

Page 225 1 A I do. 2 And both of those sentences refer to actively 3 taking sports bets, correct? MR. DREYER: Objection. The document speaks for itself. You can answer. Yes, that's what it says 6 Α So is this email conveying to the athletic directors and others from California 8 9 institutions that the NCAA would not view it as 10 a violation of the championships policy unless 11 and until there is active taking of single game 12 sports bets in California? 13 MR. DREYER: Same objection. The document speaks for itself. You can answer. 14 15 A Yes. To me, the key is how you define active or 16 actively. O Well, before we get there, do you agree with how 17 18 I just described the purpose of the document? A Can you repeat that? 19 MR. SIGLER: Can you read back the 20 21 question, please? 22 (The previous question was read back by the reporter as follows: "So is this email 23 24 conveying to the athletic directors and others 25 from California institutions that the NCAA would

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

veritext.com 516-608-2400

Page 227 communications with counsel? 2 Α O And were there any other discussions or reasons 3 that your understanding of the championship policy changed after this May 4th of 2012 email? 6 Α Who was the lawyer that advised you on this 8 issue? 9 A Naima Stevenson and Scott Bearby. 10 THE REPORTER: Bearby? 11 THE WITNESS: Bearby, B-E-A-R-B-Y. 12 And who is Scott Bearby? 13 He is a member of our general counsel staff. 14 I met Ms. Stevenson earlier, but could you 15 describe her role for me, please? She is a liaison with the enforcement staff. 17 O Is she in the general counsel's office? 18 19 Is she a lawyer? 20 Yes, a very good one. 21 MR. 212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 226
         not view it as a violation of the championships
 1
         policy unless and until there is active taking
 2
         of single game sports bets in California?")
    A That was the understanding at the time, ves.
         Has that understanding -- I'm sorry, strike
         that -- that was whose understanding at the
         That was Mark and my understanding at the time.
 9
         That was your understanding of the NCAA's policy
10
         in May of 2012?
    A Yes.
12
        Has that understanding changed?
     0
         Somewhat, yes.
13
14
     0
        How has that changed?
15
              MR. DREYER: Just -- you may be getting
         into areas of privileged attorney-client
        communications. I'm not sure we are. But I
17
18
         would caution the witness in answering the
19
         question not to disclose the content of any
20
         communications with inside or outside counsel
        with NCAA.
21
    A It would be, it would be inside.
22
23
     O Okay. So the understanding of the NCAA's
         championship policy reflected here in this May
24
25
         4th of 2012 email changed because of
```

```
Page 228
    Q Were they involved, to your knowledge, in
 2
         discussions with others about this change in
         perspective on the championships policy?
 4
     A I can't speak for others.
 5
              MR. DREYER: I would object to the
         phraseology of changing perspective. With that
         objection, the witness has answered.
        So what is your understanding of the
 9
         championships policy today with respect to this
1.0
         issue of whether there needs to be active taking
11
         of single game sports bets for it to apply?
12
              MR. DREYER: Just, before you answer, so
13
         long as it doesn't constitute a waiver of any
14
         attorney-client communications, the witness can
15
         answer the question.
        My understanding now is that once the
16
17
         regulations became published in October, that it
18
         would be considered active and the policy would
19
         now apply.
20
        And now you're talking about New Jersey,
21
         correct?
22
23
        So in New Jersey the NCAA's view, now at least,
24
         is that the promulgation of the regulation in
25
         New Jersev is what triggers the exclusion under
```

Page 229 the championships policy? The final, the regulations being finalized and 3 4 Q And just to be clear, are there any single game 5 sports bets actively being taken in New Jersey, to the NCAA's knowledge? 6 A Not to my knowledge. 8 So under the standard applied to California under this May 4th of 2012 email, New Jersey 9 10 would not be in violation of the NCAA's 11 championships policy, correct? 12 MR. DREYER: Objection to the form of the 13 question. You can answer. 14 I don't know that I understand the question. Q Okay. Well, under the May 4th of 2012 email 15 16 that went out to the California institutions, 17 active taking of single game bets was a trigger 18 for excluding California under the championships 19 policy, correct? A There were no regulations in California that 20 21 were published to trigger the active taking of 22 single game bets. 23 O Well, what the email says is that the 24 championships policy only applies to states that 25 are actively taking single game sports bets,

212-267-6868

VERITEXT REPORTING COMPANY

516-608-2400

Page 231 forwarded from Mark Strothkamp to Julie Roe 2 copying you in connection with this change in interpretation on the championships policy? MR. DREYER: Same objection as to the term 5 "change," the phrase "change in interpretation." You can answer. I don't remember the timing. There's a lot that's happened since September 5th. 9 Do you recall having the discussion with Julie 10 Roe or Mark Strothkamp, without any lawyers 11 present, about this issue we have been 12 discussing about the interpretation of the 13 championships policy? 14 15 And do you recall having a discussion with them in September of 2012 about that? 16 17 A I don't --18 MR. DREYER: Just let me interject here. 19 To the extent the conversation relayed 20 attorney-client communications, that, of course, 21 is privileged, and I would instruct the witness 22 not to disclose the substance of any such 23 discussions in answering the question. 24 Yes, it would have been about information 25 provided by counsel, even without counsel being

VERITEXT REPORTING COMPANY

516-608-2400

Page 232

212-267-6868

212-267-6868

a part of those conversations. 2 O Okay. So I'm not asking for the substance of any advice given by counsel, but just when the 4 communications happened. So let me make sure I 5 ask the question so we have a clear record. Do you recall a discussion with Julie Roe and Mark Strothkamp in the September 2012 time 8 frame about this issue we have been discussing about how the championships policy should be 10 interpreted? 11 Generally, yes. 12 (Deposition Exhibit 21 was marked for 13 identification.) 14 Ms. Baker, you have been handed a document 15 marked Exhibit 21. Please review this and tell 16 me whether you recognize it. 17 O What is this document? 18 19 It looks like a press release that was issued by 20 us, by the NCAA. 21 Q The press release was issued on October 16th, 22 2012, and concerned the application of the 23 championships policy to New Jersey, correct? 24 Q And the NCAA's decision to relocate several

```
Page 230
         correct?
 2
     A Correct.
         And under that standard, New Jersey would not be
         violating the championships policy, correct?
 5
    A No, they would be, because actively taking
         single game sports bets is defined as the
         regulations being published.
     Q So the NCAA's view is that by publishing
         regulations, New Jersey is actively taking
10
         single game sports bets?
11
    A Yes, that is my understanding.
    Q So your understanding is the interpretation of
1.3
         the championships policy has not changed but the
         meaning of the word "actively taking" has
14
15
         changed?
16
             MR. DREYER: Objection, mischaracterizes
         the witness' testimony. You can answer.
    A Yeah, I don't know that I can. I know that
18
19
         actively is defined as publishing the
         regulations.
20
21
    Q When did this change in understanding occur?
22
    A I don't recall. I don't remember when
23
         specifically.
24
    Q Well, if you look at the top email in the chain
25
        dated September 5th of 2012, was that email
```

Page 233 1 championships from New Jersey because of a new 2 state law now in effect allowing sports wagering 3 on professional and collegiate games. Do you 4 see that? 0 Do you know who prepared this press release? Were you involved in the preparation at all of 9 this press release? 10 A I was not. 11 Were you involved in the decision to relocate 12 championships from New Jersey? 13 14 Q Do you see the first sentence of the press 15 release, "The NCAA has been forced to relocate several championships from New Jersey because of 16 17 a new state law now in effect allowing sports wagering on professional and collegiate games"? 18 19 20 O Do you agree that the NCAA was forced to 21 relocate the championships from New Jersey? A Yes. 23 O How was it forced? 24 Because of the action that the state took in 25 publishing the regulations.

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 235 was involved in the majority of those 2 Do you know who was involved in the decision to relocate championships from New Jersey? I know some of the individuals involved, yes. Who was involved? Mark Lewis. Who is Mark Lewis? q Vice-president of championships. 10 Who else? 11 12 Who specifically, the two lawyers you mentioned 13 14 I don't know who specifically, other than Naima. 15 Okay. Who else? I don't know who all else was involved in that. 16 17 Was President Emmert involved in that? I don't know 18 19 MR. DREYER: Geoff, by my count we've got a 20 little bit less than a half hour to go. If you 21 guys disagree, let me know. 22 (Deposition Exhibit 22 was marked for 23 identification.) 24 Ms. Baker, you have been handed a document marked Exhibit 22. We'll represent to you this

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 234
     Q Do you think there's any room for interpretation
 2
         in the championships policy about whether
         passing the regulations versus actively taking
         single game bets triggers the policy?
 4
 5
    A No.
     O But you agreed with Mark Strothkamp in May of
         2012 that the trigger was the taking of single
 8
         game bets, correct?
 9
              MR. DREYER: Objection, mischaracterizes
10
         the witness' testimony. You can answer.
11
    A Yes, I said that at the time, California did not
12
         have regulations published, so that was not at
13
        Do you have an understanding of what the
15
         California law provides?
16
              MR. DREYER: Again, to the extent that
         understanding was a product of attorney-client
         communications, I would instruct you not to
18
         answer. If you can answer the question without
19
         disclosing any attorney-client communications,
20
21
         vou mav.
22
              Do you want my instruction read back?
23
              THE WITNESS: No, I'm trying to think. I
24
         don't know that it would be outside the
         attorney-client privilege. I believe counsel
```

```
Page 236
         is a copy of the New Jersey state gambling law.
 2
              My guestion is going to be focused on the
         provision on the first page, two-thirds of the
 3
 4
         way down, defining prohibited sports event.
 5
              Can you take a look at that definition and
         let me know when you're done.
         Yes, I've reviewed it.
         Are you familiar with this provision?
 9
         I've heard about it, yeah.
10
         What have you heard about it?
11
     A That New Jersey has proposed, or as part of the
         regulations, is prohibiting any sports wagering
13
         on any New Jersey athletic teams.
14
         Have you heard anything else about this
15
         provision?
16
17
     Q Do you know anything about the origins of this
18
         provision?
19
        I don't. But I think it's quite hypocritical.
20
        Did Nevada have a provision similar to this at
21
         any point, to your knowledge?
22
23
     Q And did Nevada take that provision out of its
24
         statute at some point?
25
```

Page 237 Q When was that? Oh, I don't recall specifically. It's been a 3 few vears. 4 Q Do you know why they took it out? Q Was the NCAA supportive of that provision in 6 Nevada law before they took it out? Can you restate that? Α 9 Q Did the NCAA support the provision in Nevada law 10 similar to this provision in New Jersey law 11 before Nevada took it out? 12 A Meaning did we support Nevada having a law that 13 prohibited betting on Nevada contests? 14 Q Correct. 15 A I don't know. That would have been before my 16 17 O Did the NCAA oppose Nevada's decision to take a 18 provision like this regarding prohibited 19 sporting events out of its statute? A I don't recall. I don't remember being a part 20 21 or having a say in any of that, frankly. 22 Q Do you know who was involved at the NCAA in 23 discussions or decisions relating to the Nevada 24 decision to take a provision like this out of 25 its Nevada statutes?

3 has always applied to our policy. 4 Q Do you know anything else about this provision in the New Jersey law regarding prohibited sports events, other than what you have already described? 8 I do not. It just appears to be a recognition 9 that there's some harm that could come. 10 otherwise why wouldn't those be included. 11 That's just your speculation, correct? 12 13 14 15 16 17 18 19 20 21 22 23 24 25 VERITEXT REPORTING COMPANY

A I don't think we've ever had to remove anything,

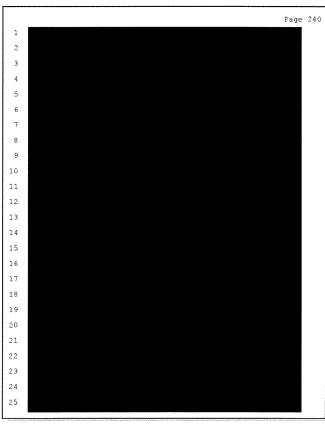

because they've always had sports betting, which

VERITEXT REPORTING COMPANY 212-267-6868

www.veritext.com

516-608-2400

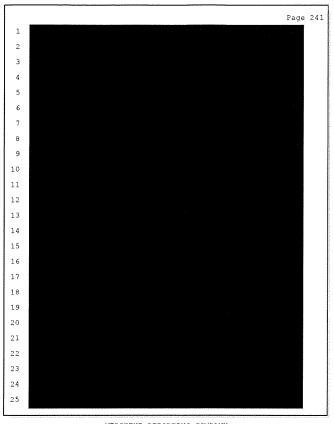

Page 238 MR. DREYER: Objection, lack of foundation. 2 You can answer. Α 15 O Has the NCAA taken any steps with respect to any type of NCAA event in Nevada following Nevada's 17 removal of the similar provision from Nevada 18 19 MR. DREYER: Objection to the form of the 20 question. You can answer. 21 A I don't know that I understand the question. 22 Q Has the NCAA removed any championships or any other NCAA sports events from Nevada because of 2.3 24 its decision to remove its similar provision 25 from its law?

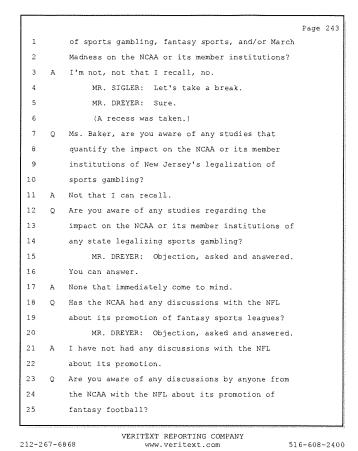

516-608-2400

212-267-6868

Page 239

VERITEXT REPORTING COMPANY 212-267-6868 516-608-2400

Page 242 2 3 8 1.0 11 12 13 14 15 16 17 18 19 20 21 22 Q Ms. Baker, other than the surveys that we've 23 talked about today and that we've gone through 24 exhibit by exhibit, are you aware of any other 25 surveys regarding the impact or potential impact

Page 244 I haven't, and I don't know if anyone else has. 2 Has there been any discussion internally at the NCAA about reaching out to the NFL about its promotion of fantasy football? 5 Nothing that I'm aware of. Ms. Baker, where was the Sports Wagering Summit that took place in September of 2012? In New York City. 9 And where specifically within New York City? 1.0 It was at the NFL the first day, and Major 11 League Baseball the second day. 12 Q And do you have any written materials from that 13 summit in your files? Oh, I don't remember if I saved anything from 15 the summit or not. 16 Do you recall getting rid of anything from the 17 summit? 18 I know that we got an agenda. I may still have 19 20 Do you recall receiving anything at the summit 0 21 and subsequently deleting it or throwing it 22 23 A I don't know that I would have saved an 24 electronic copy of the agenda, because, again, 25 of the size of it.

212-267-6868

212-267-6868

Page 245 Do you specifically recall deleting it? Q 2 I don't specifically recall deleting it, no. 3 Do you recall receiving a roster of attendees for the summit? Not that I can recall. Where was the NCAA's in-service event? 8 Was that at the NCAA's headquarters? 0 9 Α Q And do you have written materials relating to 11 that in-service event? 12 13 Q Do you have copies of the presentations that 14 were given at the in-service event? A I don't know if I have copies of all the 16 presentations or not. I don't, I don't recall what all is in my in-service folder. 17 Q Ms. Baker, did you receive a notice from counsel 18 19 or anyone else telling you to maintain documents 20 relating to this litigation? 21 A I don't recall receiving one specific to this 22 litigation, no. 23 Q You don't recall receiving one at any point in 25 A For this?

VERITEXT REPORTING COMPANY 212-267-6868 www.veritext.com

516-608-2400

Page 247 or Turner Sports from broadcasting gambling 2 related information? 3 Α What are those restrictions? I can't recall all of them off the top of my head, but I know that we have specific policies related to advertising in conjunction with our championships. 9 Q Is CBS precluded from showing point spreads? 10 I don't recall what all the specific regulations 11 for those policies include. 12 The NCAA also has an agreement with CBS to show 13 college football games, correct? 14 A I'm not sure on that. I don't know that the 15 NCAA has the agreement to show college football 16 games. 17 Q Does CBS broadcast point spreads, to your 18 knowledge? 19 Not to my knowledge. 20 Q Are you familiar with CBS's website CBS Sports 21 22 A Yes. 23 Do you know whether CBS Sports Line includes 24 point spreads for NCAA events? 25 A I do not know. VERITEXT REPORTING COMPANY

www.veritext.com

Page 246 O For this litigation. No, I don't recall. I have received holds before, but nothing that I remember specifically to this. Q Have you -- strike that. Earlier today you mentioned receiving emails from the public expressing a view that match fixing could be occurring or could be a problem, correct? A I have in the past. 10 11 Q When did you most recently receive an email like 12 that? Oh, I haven't received one in a while. 13 Has it been years since you received one of 14 0 15 those? 16 A Yes. Q Ms. Baker, you're aware that the NCAA has an 17 18 agreement with CBS and Turner Sports about the 19 broadcast of March Madness, correct? 20 A I am. Q And are you aware that it's a 14-year agreement 21 22 for eleven billion dollars? 23 Α 24 Are there any provisions that you're aware of, or policies that the NCAA has, restricting CBS 25

```
Page 248
              (Deposition Exhibit 26 was marked for
 1
 2
         identification.)
              MR. DREYER: Is there a Bates number on
 3
         this? Is there a Bates number on this?
 5
              MR. SIGLER: No.
 6
              MR. DREYER: Why wasn't it produced
        yesterday in response to our discovery request?
 8
              MR. SIGLER: It's a public document,
 9
        Anthony.
10
              MR. DREYER: It's something obviously you
11
         are relying on in this case, and yet you haven't
         produced it. Can you explain why?
12
13
        Are you familiar with this website, CBS
         Sports --
14
15
              MR. DREYER: Objection. You're showing the
        witness a document -- we had a document request
17
         for all documents you intended to rely on in
18
        this case. This is a document you haven't
19
        produced. I would like an explanation as to
20
        why.
21
             MR. SIGLER: We can talk about that later,
22
        offline.
23
              MR. DREYER: I'm going to object to the use
24
25
    O Ms. Baker, have you seen this --
```

Page 249 1 MR. DREYER: Just so the record is clear, 2 there's actually a court order that this document be produced, so I want to preserve all 3 objections with respect to any similar documents that have not been produced. Go ahead. O Ms Baker, are you familiar with this part of 6 CBS Sports Line's -- strike that. 8 Are you familiar with this portion of CBS 9 Sports .com's website? 10 A I am not. 11 O And do you see that it presents lines, money 12 lines, and other gambling related information? 13 Α 14 O Is this a concern of the NCAA's? 15 A Well, I don't see any of the NCAA marks used in 16 conjunction with the printing of these, so it would not appear that it is anything that has 17 18 been licensed or approved by us. 19 Q So as long as it doesn't have any NCAA marks, that would be okay from a policy perspective? 20 21 MR. DREYER: Objection to the form of the 22 question. Go ahead. 23 A No, that's not what I said. 24 Well, help me understand the point you are 25 making with the fact that it doesn't have any

212-267-6868 WWW

VERITEXT REPORTING COMPANY www.veritext.com

516-608-2400

Page 251 1 Q Does the NCAA have any surveys, data or information about the popularity of March Madness pools? 3 4 Other than the survey data included in the NCAA 5 study, none that I recall. 6 But the NCAA is generally aware that March Madness pools are very popular, correct? 8 Yes. А 9 O And does the NCAA acknowledge that the 10 popularity of these March Madness pools 11 contributes to the popularity of the NCAA's 12 March tournament? 13 MR. DREYER: Object to the form of the 14 question. Go ahead. 15 A 16 You don't agree with that statement? 17 T do not. 18 What's the basis for that? 19 Because I think as evidenced by the fact that 20 college attendance at these contests continues 21 to grow throughout the year, that even though 22 the bracket is necessary to actually conduct and 23 run the actual tournament, that the bracket in 24 any subsequent pools do not have to exist in order for our tournament to be successful.

212-267-6868

VERITEXT REPORTING COMPANY www.veritext.com

```
Page 250
        NCAA marks.
    A It doesn't have any NCAA marks, so it has not
        been licensed or approved by the NCAA, even
        though we have an arrangement with CBS Sports
    Q Does anyone have to license or approve the use
         of the school logos reflected on this document?
 8
        I believe that institutions --
             MR. DREYER: Objection to the extent it
 9
10
         calls for a legal conclusion, and foundation,
11
        but you can answer.
12
    A I guess I don't know for sure how that process
13
    Q Well, I'll take whatever information you can
14
15
        provide on that. So in your understanding as a
        nonlawyer, does there have to be any kind of
17
        licensing or authorization to use the NCAA team
18
        logos on the site?
19
             MR. DREYER: Same objection as to
20
        foundation. You can answer.
21
    A I don't know. I don't know how the licensing
22
        agreements work.
23
    O Is the NCAA aware that March Madness pools are
        popular?
2.4
25
    A Yes.
```

```
Page 252
    Q Do you agree that some viewers of the NCAA
         tournament in March perhaps watch games that
         they would not otherwise watch because they have
 4
         office pools?
 5
              MR. DREYER: Objection to the form of the
         guestion.
        I can't speak for other people. I can tell you
 8
         that we do our best to provide education related
 9
         to the pools, and also to encourage people to
1.0
         enjoy the tournament for the shear competition
11
         that's taking place and not because of money
12
         that they may have in a pool.
13
        Have you ever seen any studies or analyses
         regarding the amount of money that people wager
         through March Madness pools?
15
        None that I can recall, no specific data.
16
17
              MR. SIGLER: Okay. I think we're done.
              MR. DREYER: No questions.
1.8
19
              THE REPORTER: Reading and signature, I
20
         assume.
21
              MR. DREYER: Yes.
22
              (Time Noted 4:40 p.m.)
23
                   AND FURTHER THE DEPONENT SAITH NOT.
